Recent Corporate Governance Highlights

Taking into account feedback from stockholders, the Board took the following actions over the past year:

- **Initiated share repurchases.** In September 2021, the Company announced the authorization of a \$1 billion stock repurchase program that includes both classes of common stock; repurchases commenced in November 2021.
- **Terminated stockholder rights plan.** In September 2021, the Company's stockholder rights plan, which had been in place since the Company's inception in 2013, was terminated following the successful execution of a stockholders agreement between the Company and the Murdoch Family Trust (the "Trust") that limits the potential accretion of voting power by the Trust and Murdoch family members through market purchases or as an indirect result of repurchases by the Company of shares of Class B Common Stock (the "Stockholders Agreement"), pursuant to the determination of a special committee comprising all of the Board's independent Directors (the "Special Committee"), with the assistance of independent legal and financial advisors.
- **Published annual ESG report.** Beginning in October 2021, the Company has increased transparency of our ESG mission, goals and progress through an annual standalone ESG report, which includes indices aligned to the Sustainability Accounting Standards Board ("SASB"), Global Reporting Initiative ("GRI") and Task Force on Climate-related Financial Disclosures ("TCFD") reporting frameworks. The Company's second annual ESG report was published in October 2022.

Corporate Governance Policies

The Board has adopted a *Statement of Corporate Governance* that sets forth the Company’s corporate governance guidelines and practices. The *Statement of Corporate Governance* addresses, among other things, the composition and functions of the Board and its committees, Director independence, Board membership criteria, Director compensation and

equity ownership requirements and management evaluation and succession.

The Board has also adopted the *Standards of Business Conduct*, which are applicable to all Directors, officers and employees of the Company. The *Standards of Business Conduct* confirm the

Company's policy to conduct its affairs in compliance with all applicable laws and regulations and observe the highest standards of business ethics.

The *Statement of Corporate Governance*, the *Standards of Business Conduct* and each of the Board committee charters, along with other corporate governance policies, are available on the Company's website at www.newscorp.com under

Stockholder Engagement

The Board believes that continual and transparent communication with our stockholders is a key component of strong corporate governance. The Board views stockholder outreach as an area of priority and oversees the Company's engagement program, which includes a specific focus on corporate governance. Our independent Directors, including our Lead Director, also directly participate in certain engagements. In fiscal 2022, our outreach program included engagement with unaffiliated stockholders representing over 30% of the outstanding Class B Common Stock and approximately 50% of the outstanding Class A Common Stock.

The Board strongly values the feedback our stockholders have provided on a wide range of topics, including Board oversight of our business strategy, capital allocation, capital structure, corporate governance, Board composition, management succession planning, executive compensation, sustainability and the Company's financial and operating performance. This input is shared with the Board and its relevant committees and informs the Company's strategy and policies as we seek to build long-term value for our stockholders.

Annual Director Elections and Majority-Voting Policy

All Directors are elected annually by our stockholders. In an uncontested election, each Director must be elected by a majority of the votes cast, meaning that the number of votes cast "FOR" a Director's election must exceed the number of votes cast "AGAINST" that Director's election. In a contested election, each Director will be elected by a plurality of votes cast. Under our *Statement of Corporate Governance*, an incumbent Director who

If the Company waives the *Standards of Business Conduct* or amends certain of its provisions with respect to any executive officer or Director, it will post the amendment or waiver at the same location on its website, as required by applicable rules, within four business days following the amendment or waiver.

For example, in line with feedback received from stockholders, in fiscal 2022 the Company:

- terminated the stockholder rights plan, which had been in place since the Company's inception in 2013;
- announced and began executing on a new \$1 billion stock repurchase program for both classes of common stock;
- increased transparency of our environmental, social and governance mission, goals and progress through publication of our annual ESG report, which includes indices aligned to SASB, GRI and TCFD reporting frameworks;
- incorporated additional ESG goals as part of the determination of the payout of the qualitative portion of the NEOs' annual cash incentive;
- continued our investment focus on three growth areas – Digital Real Estate Services, Dow Jones and Book Publishing – as demonstrated through strategic acquisitions and focused reinvestments in each of those areas; and
- maintained a healthy balance sheet with \$1 billion of additional debt issuances and strong cash generation.

Within 90 days of the date of the certification of the election results, the Board will determine, considering all factors it deems relevant (including those set forth in our *Statement of Corporate Governance*), whether to accept the resignation.

Director Independence

Our *Statement of Corporate Governance* requires that the Board be comprised of a majority of “independent directors” in accordance with the listing rules of The Nasdaq Stock Market (“Nasdaq”). The Board, upon the recommendation of the Nominating and Corporate Governance Committee, will review and determine the independence of each Director at least annually and at other times as appropriate. The Board considers all relevant facts and circumstances in making an independence determination as to each Director, including but not

limited to any relationships and transactions between the Director (and his or her immediate family members and affiliated entities) and the Company and its affiliates.

As a result of its review in August 2022, the Board affirmatively determined that Mmes. Ayotte, Bancroft and Pessoa and Messrs. Aznar, Barnes and Siddiqui are independent under the standards adopted by the Company and set forth in Nasdaq listing rules.

Independent Oversight and Executive Sessions of Independent Directors

The Board believes its independent oversight function is further enhanced by our Audit, Compensation and Nominating and Corporate Governance Committees being comprised entirely of independent Directors.

In addition, the independent Directors of the Board generally meet in executive session without

management present at every regularly scheduled Board meeting and other times as appropriate. During fiscal 2022, the independent Directors met in executive session nine times, including in four meetings of the Special Committee, which was formed to consider the Company’s stockholder rights plan and related matters.

Board Leadership Structure

- | | |
|--|--------------------------------------|
| ■ Executive Chairman: K. Rupert Murdoch | ■ Co-Chairman: Lachlan K. Murdoch |
| ■ Independent Lead Director: Peter L. Barnes | ■ Chief Executive: Robert J. Thomson |

Currently, our Board leadership consists of our Executive Chairman, Co-Chairman, independent Lead Director, Chief Executive and strong committee chairs. Mr. K.R. Murdoch serves as the Executive Chairman of the Board, while Mr. Thomson serves as the Chief Executive and a Director. Both Messrs. K.R. Murdoch and Thomson are considered executive officers of the Company.

Our *Statement of Corporate Governance* provides that the Board is responsible for establishing and maintaining the most effective leadership structure for the Company. To retain flexibility in carrying out this responsibility, the Board does not have a policy on whether the Chairman of the Board shall be an independent member of the Board. However, if the Chairman is not an independent Director, an independent Director shall be designated by a majority of the independent Directors of the Board to serve as Lead Director for a period of at least one year. Mr. Barnes, an independent Director, currently

serves as our Lead Director. Peter Barnes will not be standing for re-election at the Annual Meeting and will step down from the Board upon the election of Directors at the Annual Meeting. The independent Directors will elect a new Lead Director upon the conclusion of Mr. Barnes’ service.

The Board believes our current leadership structure is effective, provides independent Board leadership and serves the best interests of our stockholders at this time. The Board believes that this structure allows our Chief Executive to focus on his duties in managing the day-to-day operations of the Company, while benefiting from Mr. K.R. Murdoch’s and Mr. L.K. Murdoch’s invaluable knowledge and expertise regarding the Company’s businesses and strategies. In addition, the Board believes that the role of the Lead Director is structured with sufficient authority to serve as an effective counter-balance to management.

The Board reviews its leadership structure at least annually, taking into account the responsibilities of the leadership positions and the Directors qualified to hold such positions. In conducting this review, the Board considers, among other things: (i) our policies and practices that provide independent Board oversight, (ii) the effect a particular leadership structure may have on Company performance, (iii) the structure that serves the best interests of our stockholders, and (iv) any relevant legislative or regulatory developments. The Board will continue to monitor the appropriateness of this leadership structure.

Independence

The Board has determined that all of the members of the Nominating and Corporate Governance Committee are independent (in accordance with SEC rules and Nasdaq listing rules applicable to directors).

Director Attendance

Our *Statement of Corporate Governance* provides that Directors are expected to attend meetings of the Board and meetings of the Board committees on which they serve. During fiscal 2022, the Board held eight meetings. Each of our current Directors attended at least 75% of the aggregate number of meetings of the Board and the committees of the Board on which he or she served (during the period that he or she served).

Directors are also encouraged to attend and participate in the Company's annual meeting of stockholders. All of the nine Directors standing for re-election at the annual meeting of stockholders held by the Company in November 2021 attended such meeting.

Board's Role in Strategy

Our Board sets the strategic vision for the Company. As part of this process, the Board reviews the Company's long-term strategic plan at least annually and monitors implementation of the strategic plan

throughout the year. The Board generally discusses strategy at every regular meeting and occasionally holds sessions devoted entirely to strategy.

Board Oversight of Risk

Risk management is primarily the responsibility of management; however, the Board oversees management's identification and management of risks to the Company. The Board does not view risk in isolation; it considers risks in making significant business decisions and as part of the Company's overall business strategy. The Board uses various means to fulfill this oversight responsibility. The Board, and its committees, as appropriate, regularly receive and discuss periodic updates from the CEO, CFO, General Counsel and other members of senior management regarding significant risks to the Company, including in connection with the annual review of the Company's business plan and its review of budgets, strategy and major transactions. These discussions include operational, strategic, legal, regulatory, financial, reputational and cybersecurity risks and the plans to address these risks.

Each of the Board's standing committees assists the Board in overseeing the management of the Company's risks within the areas delegated to that committee, and reports to the full Board as appropriate. In particular:

- The Audit Committee assists the Board in its oversight of risks that have a significant impact on the Company's financial statements; is responsible for reviewing the Company's policies and practices with respect to risk assessment and management, including discussing with management the Company's major financial and cyber-related risk exposures and the steps that have been taken to monitor and control such exposures; and oversees the activities of the Company's Compliance Steering Company, including management of the Company's Global Compliance

Program. In addition, the Audit Committee has primary responsibility for overseeing risks related to cybersecurity. The Corporate Audit Department continually monitors the risk profile of the Company, and semi-annually presents to the Audit Committee a top-down and bottom-up risk assessment that is based on the strategic priorities of our senior leaders as well as a comprehensive risk survey rolled up from all of our businesses, which results in an enterprise-wide key risk map to assist the Board in its oversight of critical risks. These exercises inform the preparation of a risk-based audit plan to cover and address the effectiveness of control activities in critical areas.

- The Compensation Committee monitors risks associated with the design and administration of the Company's compensation programs, including an annual review and assessment of the Company's compensation programs and practices. For more information, please see "Risks Related to Compensation Policies and Practices."
- The Nominating and Corporate Governance Committee oversees risks related to the Company's corporate governance, including ensuring the Board's continued ability to provide independent oversight of management, and risks associated with ESG matters.

Each standing committee has full access to management, as well as the ability to engage advisors.

Environmental, Social and Governance Matters

Oversight of ESG is integrated into the purview of the Board and its Committees, including as follows:

- The Nominating and Corporate Governance Committee is responsible for reviewing ESG matters relevant to the Company's business, including environmental sustainability, corporate governance and diversity, equity and inclusion (see also "—Diversity, Equity and Inclusion" below). It is also responsible for periodically reviewing the Company's policies and practices regarding political contributions.
- The Audit Committee oversees the activities of the Compliance Steering Committee, including management of our Global Compliance Program. It is also responsible for reviewing the Company's policies and practices with respect to risk assessment and management, including as it relates to cybersecurity (see also "—Board Oversight of Risk").
- The Compensation Committee sets incentive compensation, which includes the consideration of ESG factors, for the Company's executive officers. It is also responsible for assisting the Board in reviewing and assessing the Company's strategies and policies related to human capital management.

ESG Report

In October 2022, the Company continued to provide increased transparency of our goals, efforts and progress on climate change, diversity and other aspects of our environmental, social and governance mission through publication of our second annual ESG report, which includes indices aligned to SASB, GRI and TCFD reporting frameworks. The 2022 ESG report and more information about our efforts in this area are available on our website at www.newscorp.com/news-corp-esg-report.

Diversity, Equity and Inclusion

The Company seeks to foster an environment where all employees can feel valued, included and empowered to bring great ideas to the table. The Company is committed to cultivating diversity and broadening the opportunity for inclusion across our businesses.

The Company maintains a *Corporate Diversity Statement*, which describes our longstanding diversity, equity and inclusion ("DEI") objectives and efforts. Specifically, our DEI efforts focus on:

- leading and managing inclusively – embracing different cultures, ethnicities, genders and sexual orientations;
 - creating a work environment that fosters growth and advancement; and
 - engaging with our audiences in a way that reflects and respects their unique perspectives and experiences.
- The *Corporate Diversity Statement* is available on the Company's website at www.newscorp.com/
- corporate-governance* and additional information about DEI at News Corp is available at www.newscorp.com/news-corp-diversity.
- The Board and its Committees oversee efforts in this area, including through:
- the Nominating and Corporate Governance Committee's annual assessment of progress towards the Company's DEI objectives and report on such review to the Board;
 - the Nominating and Corporate Governance Committee's oversight of Board succession planning;
 - the Compensation Committee's review of executive succession planning and its review and assessment of the Company's strategies and policies related to human capital management; and
 - the Audit Committee's oversight of the Compliance Steering Committee and enforcement of the Standards of Business Conduct.

The Company and its business units have implemented diversity, equity and inclusion programs and practices tailored to their respective industries and geographies. Although the Company has made progress in workforce diversity, equity and inclusion, it seeks to continuously improve in these areas through, among other things, its (1) talent

attraction programs and practices, such as seeking to build diverse candidate pools and pipelines and promoting equitable recruitment and hiring practices; (2) employee development and training; and (3) efforts to build a culture of inclusion, such as through mentoring and inclusivity programs.

Related Person Transactions Policy

Procedures for Approval of Related Person Transactions

The Audit Committee has established written procedures for the review of related person transactions. Pursuant to these procedures, the Audit Committee reviews and approves, ratifies or disapproves, as appropriate, transactions, arrangements or relationships in which the Company or any of its subsidiaries is a participant, the aggregate amount involved exceeds \$120,000 and a Director, Director emeritus, Director nominee, executive officer, 5% holder of the Company's voting stock or an immediate family member of any of the foregoing has a direct or indirect material interest.

When determining whether to approve or ratify a related person transaction, the Audit Committee shall consider all relevant facts and circumstances, including, but not limited to: whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances; the business reasons for the transaction; whether the transaction would impair the independence of an independent Director; and whether the transaction would present an improper conflict of interest for any Director or executive officer of the Company, taking into account the nature of the transaction and the Director or executive officer's interest in the transaction. The Audit Committee shall not approve or ratify a related person transaction unless it has determined that, upon consideration of all relevant information, the transaction is in, or is not inconsistent with, the best interests of the Company and its stockholders. No Director will participate in any discussion or approval of a related person transaction for which he or she (or an immediate family member) is a related person, except that such Director will provide all material information concerning the transaction to the Audit Committee.

Certain Relationships

All of the transactions described below were reviewed and approved or ratified by the Audit Committee or the Board.

News Corp Australia, a division of the Company, and its subsidiaries purchase advertising on an arms-length, ordinary course basis from NOVA Entertainment ("NOVA"), of which Mr. L.K. Murdoch, Co-Chairman of the Company, serves as Executive Chairman and in which he holds an indirect 100% interest. In fiscal 2022, News Corp Australia's aggregate expense under such transactions was approximately \$2.4 million. In addition, News Corp Australia receives advertising revenue on an arms-length, ordinary course basis from NOVA purchases and through production arrangements pursuant to which advertising revenue is shared with NOVA. In fiscal 2022, News Corp Australia's aggregate revenue under such transactions was approximately \$1.7 million.

During fiscal 2022, News Corp Australia, Foxtel, REA Group (in which the Company owns a 61.4% interest) and NOVA were holders of equity interests of approximately 33%, 17%, 17% and 17%, respectively, in ScaleUp MediaFund 2.0 ("ScaleUp"), a company that provides advertising to start-up companies in exchange for equity interests in such companies. The shareholders' deed governing ScaleUp provided that for each of fiscal 2020, 2021 and 2022, News Corp Australia was to contribute up to \$2,000,000 AUD and each of the other shareholders was to contribute up to \$1,000,000 AUD in advertising space to ScaleUp. The selection of prospective recipient start-up companies and campaigns is determined by the board of directors of ScaleUp, which comprises one director designated by each shareholder. Each shareholder can decline participation in any particular campaign. In 2022, ScaleUp MediaFund 3.0 was formed on similar terms, with News Corp Australia agreeing to contribute up to \$5,000,000 AUD and each of the other shareholders agreeing to contribute up to \$2,500,000 AUD in advertising space across fiscal 2023, 2024 and 2025.

CEO Succession Planning

Our *Statement of Corporate Governance* provides that the Board will review CEO succession at least annually. The Compensation Committee, in consultation with the CEO, reviews and assists with the development of executive succession plans. The

CEO provides the Compensation Committee with an assessment of members of senior management and their succession potential. The Compensation Committee reports the results of these assessments to the Board.

Annual Board and Committee Evaluations

The Lead Director and the Nominating and Corporate Governance Committee are responsible for overseeing an annual self-evaluation process for the Board that includes an assessment of, among other things, the Board's maintenance and implementation of the Company's standards of conduct and corporate governance policies. The review seeks to identify specific areas, if any, in need of improvement or strengthening and culminates in a discussion by the full Board of the results and any actions to be taken. Each key standing committee of the Board evaluates its performance on an annual basis and reports to the Board on such evaluation.

This year's self-evaluation process included a written questionnaire completed by each Director as well as individual interviews with the independent Directors. The evaluation covered a number of topics, including Board composition and structure, Board and committee responsibilities and effectiveness, Director engagement and performance (including individual Director performance), Board priorities and Board meetings and resources. The results were discussed by the full Board, with management, and in an executive session of the independent Directors. In addition, each key standing committee conducted its own self-evaluation and reported on the same to the full Board.

Board Succession Planning and Director Nomination Process

Board succession planning is an important area of focus for the Board. The Nominating and Corporate Governance Committee regularly reviews and evaluates Board composition, including its size and the qualifications, skills and characteristics represented in the current Board, and makes recommendations to the Board as appropriate.

The Nominating and Corporate Governance Committee develops criteria for filling vacant Board positions, taking into consideration such factors as it deems appropriate, including the candidate's:

- education and background;
- leadership and ability to exercise sound judgment;
- general business experience and familiarity with the Company's businesses and industries; and
- unique expertise or perspective that will be of value to the Company.

Candidates should not have any interests that would materially impair their ability to exercise independent judgment or otherwise discharge the fiduciary duties of our Directors. All candidates must possess personal integrity and ethical character, and value and appreciate these qualities in others. It is expected that each

Director will devote the necessary time to fulfill the duties of a Director. In this regard, the Nominating and Corporate Governance Committee will consider the number and nature of each Director's other commitments, including other directorships.

From time to time, the Nominating and Corporate Governance Committee may engage independent third-party search firms and consultants as appropriate to help identify, screen and evaluate potential candidates.

The Nominating and Corporate Governance Committee seeks to promote through the nomination process diversity on the Board across a range of dimensions, including professional background, experience, expertise, perspective, viewpoint, age, gender, race/ethnicity and geographic location/country of citizenship, and assesses the effectiveness of these factors in the Director selection and nomination process. The Board also evaluates its diversity as part of its annual self-evaluation process. The composition of the Board reflects those efforts and the importance of diversity to the Board. The Board is currently 33% female, includes seven citizens of countries other than the United States and four Directors who self-identify as Asian, Hispanic/Latinx or two or more races/ethnicities, ranges in age from 42 to 91 and represents a diversity of backgrounds and expertise. Following the Annual

Meeting, the Board is expected to be 37.5% female and include six citizens of countries other than the United States and four Directors who self-identify as Asian, Hispanic/Latinx or two or more races/ethnicities.

Board Diversity Matrix (as of October 5, 2022)		
Total Number of Directors	9	
	Female	Male
Part I: Gender Identity		
Directors	3	6
Part II: Demographic Background		
Asian	—	1
Hispanic or Latinx	2	1
White	2	4
Two or More Races or Ethnicities	1	—

After completing its evaluation of a potential Director nominee, the Nominating and Corporate Governance Committee will make a recommendation to the full Board, which makes the final determination whether to nominate or appoint the Director nominee.

In order to help ensure that Directors have sufficient time to fulfill their duties as a director, the Company has adopted a Director overboarding policy. Under such policy, unless approved by the Board, the Chairman of the Board may not be a member of the board of directors of more than two other public companies and other members of the Board may not be a member of the board of directors of more than four other public companies.

Stockholder Recommendation of Director Candidates

Stockholders may recommend Director candidates for consideration by the Nominating and Corporate Governance Committee by submitting their names and appropriate background and biographical information in writing to the attention of the Corporate Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036. Director candidates recommended by stockholders should meet the Director qualifications set forth under the heading "Board Membership Criteria" in the *Statement of Corporate*

Governance. Director candidates recommended by stockholders who meet these Director qualifications will be considered by the Chair of the Nominating and Corporate Governance Committee, who will present the information on the candidate to the entire Nominating and Corporate Governance Committee. All Director candidates recommended by stockholders will be considered by the Nominating and Corporate Governance Committee in the same manner as any other candidate.

Communicating with the Board

Stockholders and other persons interested in communicating with any Director, any committee of the Board or the Board as a whole may do so by submitting such communication in writing and sending it by mail to the attention of the appropriate party or to the attention of our Lead Director at News Corporation, 1211 Avenue of the Americas, New York, New York 10036 or by email to LeadDirector@newscorp.com.

Pursuant to the process established by the Nominating and Corporate Governance Committee for handling all communications received by the Company and addressed to the Board, the Corporate Secretary reviews and forwards such communications as appropriate.

Certain items that are unrelated to the duties and responsibilities of the Board (such as business solicitation or advertisements; product-related inquiries; junk mail or mass mailings; resumes or other job-related inquiries; and spam and unduly hostile, threatening, potentially illegal or similarly unsuitable communications) will not be forwarded. Concerns relating to accounting, internal controls, auditing matters or securities laws matters are immediately brought to the attention of the corporate audit department and handled in accordance with the procedures established by the Audit Committee with respect to such matters.

DIRECTOR COMPENSATION

Directors' fees are not paid to Directors who are executives or employees of the Company because the responsibilities of Board membership are considered in determining compensation paid as part of their normal employment conditions.

The basic fees payable to the Directors who are not executives of the Company (collectively, the "Non-Executive Directors") are reviewed and recommended by the Compensation Committee and set by the Board. The Compensation Committee annually reviews the form and amount of Non-Executive Director compensation, including against that of the Company's peers and general industry. In such review, the Compensation Committee considers the appropriateness of the form and amount of Non-Executive Director compensation and makes recommendations to the Board concerning Non-Executive Director compensation with a view toward attracting and retaining qualified Directors. The Company believes that compensation for Non-Executive Directors should be competitive and fairly reflect the work and skills required to serve on the Board of Directors of a company of News Corporation's size and complexity. The Company also believes that Non-Executive Director compensation should include equity-based compensation in order to further align Directors' interests with the long-term interests of stockholders.

As part of its annual review of Non-Executive Director compensation, the Compensation Committee reviews and considers data provided to the Committee by its independent compensation consultant regarding the amounts and type of compensation paid to non-management directors at the companies in the peer group used by the Compensation Committee for the assessment of executive compensation. As a result of its review in fiscal 2021, the Board, on the Compensation Committee's recommendation, determined to increase, beginning in fiscal 2022, the Board Deferred Stock Unit ("DSU") Retainer to \$175,000, the Audit Committee Member Retainer to \$15,000, the Compensation Committee Member Retainer to \$10,000 and the Nominating and Corporate Governance Committee Member Retainer to \$10,000 after determining that such increases are in the best interest of the Company and its stockholders. Prior to this change, Non-Executive Director Compensation was most recently increased for fiscal 2019. As a result of its most recent review in fiscal 2022, the Compensation Committee determined the compensation set forth below remains reasonable and appropriate for fiscal 2023.

During fiscal 2022, the Non-Executive Directors were Mmes. Ayotte, Bancroft and Pessoa and Messrs. L.K. Murdoch, Aznar, Barnes and Siddiqui. The annual retainers paid to Non-Executive Directors for service on the Board and its committees in fiscal 2022 are set forth in the table below.

DIRECTOR COMPENSATION

DSUs are awarded to Non-Executive Directors on a quarterly basis on July 1, October 1, January 1 and April 1 of each year (or, if not a trading day, the first trading day following such date) (each, a “DSU Grant Date”). The number of DSUs awarded each DSU Grant Date is based on the closing price of the Company’s Class A Common Stock on such DSU Grant Date. DSUs vest upon the earlier of (i) the July 1, October 1, January 1 or April 1 closest to the fifth anniversary of the DSU Grant Date (or, if not a trading day, the first trading day following such date) and (ii) the date of the Non-Executive Director’s end of service (or, if not a trading day, the first trading day following such date), at which time DSUs will be payable in cash based on the closing price of the Company’s Class A Common Stock on such vesting date. To further align the Non-Executive Directors’ compensation with total return to stockholders, the Non-Executive Directors receive dividend equivalents on unvested DSUs, which are represented by additional DSUs payable when the underlying award vests.

* Excludes Lead Director and committee service retainers

In addition, all Non-Executive Directors are reimbursed for reasonable travel and other out-of-pocket business expenses incurred in connection with attendance at meetings of the Board and its committees. We may invite spouses or family members of Non-Executive Directors to attend events associated with Board meetings or other Company-related events. To the extent costs for these activities and for any other personal benefits for a Non-Executive Director exceed \$10,000 for the year, they are included in the “All Other Compensation” column in the table below.

The table below shows the total compensation paid during fiscal 2022 by the Company to each of the Non-Executive Directors who served during fiscal 2022.

Stock Ownership Guidelines for Non-Executive Directors

Pursuant to the *Statement of Corporate Governance*, Non-Executive Directors are required to own equity securities of the Company (including DSUs) equal in value to at least five times the amount of the Non-Executive Director's annual cash retainer for service on the Board. Each Non-Executive Director has five years from his or her first election to the Board to comply with these guidelines. All incumbent Non-Executive Directors currently comply with or are on track to comply with the stock ownership guidelines.

The following table sets forth information with respect to the aggregate outstanding equity awards at the end of fiscal 2022 of each of the Directors then serving who are not NEOs, which comprise unvested cash-settled DSUs.

PROPOSAL NO. 2:

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Ernst & Young LLP (“E&Y”) as the Company’s independent registered public accounting firm to audit the books and accounts of the Company for the fiscal year ending June 30, 2023. E&Y has audited the books and records of the Company since the Company’s inception in 2013. In order to provide for continuing auditor independence, the Audit Committee periodically considers whether there should be a regular rotation of our independent registered public accounting firm. Further, in connection with the mandated rotation of our independent registered public accounting firm’s lead engagement partner, the Audit Committee is directly involved in the periodic selection of E&Y’s lead engagement partner.

At this time, the Audit Committee believes that the continued retention of E&Y is in the best interests of the Company and its stockholders, and is submitting the appointment of E&Y to the stockholders for ratification as a matter of good corporate governance. If this appointment is not ratified by our stockholders, the Audit Committee will reconsider its decision. A representative of E&Y is expected to be present at the Annual Meeting. He or she will have an opportunity to make a statement and will be available to respond to appropriate questions.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established policies and procedures under which all audit and non-audit services performed by the Company’s independent registered public accounting firm must be approved in advance by the Audit Committee. The Audit Committee’s policy provides for pre-approval of audit, audit-related, tax and certain other services specifically described by the Audit Committee on an annual basis. In addition, individual engagements anticipated to exceed pre-established thresholds, as well as certain other services, must be separately approved. The policy also provides that the Audit Committee can delegate pre-approval authority to any member of the Audit Committee provided that the decision to pre-approve is communicated to the

full Audit Committee at its next meeting. The Audit Committee has delegated this responsibility to the Chair of the Audit Committee. Management has also implemented internal procedures to ensure compliance with this policy. As required by the Sarbanes-Oxley Act, all audit and non-audit services provided in fiscal 2022 and 2021 have been pre-approved by the Audit Committee in accordance with these policies and procedures. The Audit Committee also reviewed the non-audit services provided by E&Y during fiscal 2022 and 2021, and determined that the provision of such non-audit services was compatible with maintaining the auditor’s independence.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed to be soliciting material or to be filed with the SEC under the Securities Act or the Exchange Act or incorporated by reference in any document so filed.

In accordance with its written charter, the Audit Committee, which consists entirely of independent Directors under the heightened independence standards applicable to audit committee members, assists the Board in its oversight of (i) the Company's accounting and financial reporting processes and systems of internal control, including the audits of the Company's financial statements and the integrity of financial statements, (ii) the qualifications, independence and performance of the Company's independent registered public accounting firm (E&Y) and the performance of the Company's corporate auditors and corporate audit function, (iii) the Company's compliance with legal and regulatory requirements involving financial, accounting and internal control matters, (iv) investigations into complaints concerning financial matters, (v) risks that have a significant impact on the Company's financial statements, (vi) oversight of the Company's ongoing Global Compliance Program and activities of the Company's Compliance Steering Committee and (vii) the review, approval and ratification of transactions with related persons. The Audit Committee is directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm. The Audit Committee provides an avenue of communication among management, the independent registered public accounting firm, the corporate auditors and the Board. Management has the primary responsibility for the preparation of the Company's financial statements and the reporting process, including the systems of internal control over financial reporting. The independent registered public accounting firm has the responsibility for the audit of those financial statements and internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In discharging its oversight responsibility as to the audit process, the Audit Committee (i) obtained from the independent registered public accounting firm a formal written statement describing all relationships

between the independent registered public accounting firm, the Company and individuals in financial reporting oversight roles at the Company that might bear on the independent registered public accounting firm's independence and affirming its independence consistent with applicable requirements of the Public Company Accounting Oversight Board (the "PCAOB") regarding the independent accountant's communications with the Audit Committee concerning independence, (ii) discussed with the independent registered public accounting firm, which documented the discussion, any relationships that may impact the firm's objectivity and independence and (iii) considered whether the non-audit services provided to the Company by the independent registered public accounting firm are compatible with maintaining such firm's independence. The Audit Committee reviewed with both the independent registered public accounting firm and the corporate auditors their identification of audit risks, audit plans and audit scope. The Audit Committee discussed with management, the independent registered public accounting firm and the corporate auditors the corporate audit function's organization, responsibilities, budget and staffing.

The Audit Committee also discussed and reviewed with the independent registered public accounting firm all matters required to be discussed by the applicable requirements of the PCAOB and the SEC. The Audit Committee met with each of the independent registered public accounting firm and the corporate auditors, both with management present and in private sessions without management present, to discuss and review the results of the independent registered public accounting firm's audit of the financial statements, including the independent registered public accounting firm's evaluation of the accounting principles, practices and judgments applied by management, the results of the corporate audit activities and the quality and adequacy of the Company's internal controls.

The Audit Committee discussed the interim financial information contained in each of the quarterly earnings announcements with Company management and the independent registered public accounting firm. The Audit Committee also reviewed and discussed the audited financial statements of the

REPORT OF THE AUDIT COMMITTEE

Company as of and for the fiscal year ended June 30, 2022 with management and the independent registered public accounting firm.

At its meetings every quarter, the Audit Committee met with members of management, the independent registered public accounting firm and the corporate auditors to review the fiscal 2022 certifications provided by the CEO and the CFO under the Sarbanes-Oxley Act, the rules and regulations of the SEC and the overall certification process. At these meetings, management reviewed with the Audit Committee each of the Sarbanes-Oxley Act certification requirements including whether there were any (i) significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information and (ii) any fraud, whether or not material, involving management or other employees who have a significant role in the Company's internal control over financial reporting.

The Audit Committee received reports from the Company's General Counsel and Chief Compliance

Officer and the corporate auditors regarding the Company's policies, processes and procedures relating to compliance with News Corporation's Global Anti-Bribery and Anti-Corruption Policy and the activities of the Company's Compliance Steering Committee.

Based on the above-mentioned review and discussions with management, the independent registered public accounting firm and the corporate auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2022, for filing with the SEC. The Audit Committee also appointed E&Y as the Company's independent registered public accounting firm for fiscal 2023, and the Board concurred in such appointment.

PROPOSAL NO. 3

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and Section 14A of the Exchange Act require that the Company provide our stockholders with the opportunity to approve, on an advisory, nonbinding basis, the compensation of our named executive officers, or NEOs, as disclosed in this proxy statement in accordance with the rules of the SEC.

As described in detail in the “Compensation Discussion and Analysis,” the Compensation Committee seeks to closely align the interests of our NEOs with those of the Company’s stockholders. The Company’s executive compensation program is designed to drive Company performance, ensure our compensation practices support growth for stockholders and attract, retain and motivate the top executive talent necessary for the Company’s success. The compensation framework designed by the Company emphasizes a pay-for-performance model, a focus on long-term growth and diversified performance metrics. The Compensation Committee believes that our compensation framework effectively aligns pay with individual and Company performance as further described beginning on page 33 under the heading “Aligning Compensation with Company Performance.” In addition, as described on page 32 under the heading “Total Direct Compensation,” the compensation framework places a significant majority of the Executive Chairman’s, CEO’s, CFO’s and General Counsel’s total direct compensation “at risk” and dependent upon performance, with a significant portion of total direct compensation tied to the Company’s long-term results and future stock price performance. The Company has also implemented a number of executive compensation practices, as described on

page 34, which the Compensation Committee considers to be effective at driving performance and supporting long-term growth for our stockholders.

The Board recommends that stockholders indicate their support for the Company’s compensation of its NEOs. The vote on this resolution, commonly known as a “say-on-pay” resolution, is not intended to address any specific element of compensation but rather the overall NEO compensation program as described in this proxy statement. Although this vote is advisory and not binding on the Company or the Board, the Compensation Committee, which is responsible for developing and administering the Company’s executive compensation philosophy and program, will consider the results as part of its ongoing review of the Company’s executive compensation program.

Accordingly, we ask our stockholders to vote on the following resolution:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement for the 2022 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the “Compensation Discussion and Analysis,” the “Summary Compensation Table” and the other related tables and disclosure.”

The Board of Directors has adopted a policy providing for annual say-on-pay advisory votes. Unless the Board of Directors modifies its policy on the frequency of holding say-on-pay advisory votes, the next say-on-pay advisory vote following the 2022 Annual Meeting will occur in 2023.

Executive Summary

Compensation Philosophy

The Compensation Committee has established an executive compensation program that seeks to support the creation of long-term growth and value for our stockholders through three key objectives:

Drive Company Performance	<ul style="list-style-type: none"> Emphasizes variable, performance-based compensation Includes balance of short- and long-term compensation elements to motivate and reward superior performance without encouraging unnecessary and excessive risk-taking
Align Pay with Performance	<ul style="list-style-type: none"> Based on a mix of performance metrics to hold executives accountable for Company and individual performance Does not guarantee incentive compensation (bonuses or equity awards); payouts are determined based on achievement of rigorous performance targets
Attract, Retain and Motivate Leadership Talent	<ul style="list-style-type: none"> Designed to be competitive to attract and retain the highest quality talent Considers compensation practices and trends in relevant industries

Stockholder Feedback Informs the Executive Compensation Program

The Compensation Committee highly values stockholder input and is responsible for overseeing regular engagement and communications with our stockholders regarding our executive compensation program. The Compensation Committee carefully considers and incorporates feedback from stockholders into the Committee’s decision-making.

The Board views stockholder engagement as an area of priority and oversees the Company’s corporate governance engagement program, which includes discussion of executive compensation. In fiscal 2022, our outreach program included engagement with unaffiliated stockholders representing over 30% of the outstanding Class B Common Stock and

approximately 50% of the outstanding Class A Common Stock. For more detail on the Company’s active stockholder outreach program, please refer to “Corporate Governance Matters—Stockholder Engagement.” Stockholders are invited to express their views to the Compensation Committee through the procedures described under “Corporate Governance Matters—Communicating with the Board.”

The annual say-on-pay advisory vote on the compensation of our NEOs also provides stockholders with an opportunity to communicate their views on our executive compensation program. At our 2021 annual meeting of stockholders, stockholders demonstrated their support of our

COMPENSATION DISCUSSION AND ANALYSIS

executive compensation program with approximately 93.6% of the votes cast in favor of our advisory proposal to approve the compensation of our NEOs.

Upon consideration of the high percentage of votes cast in support of our say-on-pay proposal, along

with additional feedback from engagement with stockholders and other considerations, the Compensation Committee determined to maintain the general structure of our executive compensation program for fiscal 2022.

Total Direct Compensation

The following table presents the total direct compensation (“Total Direct Compensation”) awarded to Mr. K.R. Murdoch, Mr. Thomson, Ms. Panuccio and Mr. Pitofsky for fiscal 2022. Total Direct Compensation differs from the amounts reported in the “Summary Compensation Table” as required by the SEC, and reflects the amounts the Compensation Committee considers most relevant in assessing and determining each NEO’s executive compensation opportunity for the fiscal year. Total Direct Compensation comprises the NEO’s annual base salary, target performance-based annual cash incentive and target performance-based long-term equity incentive, which was awarded in fiscal 2022 as performance stock units (“PSUs”) and restricted stock units (“RSUs”).

Mr. K.R. Murdoch’s Total Direct Compensation has remained the same since the Company’s inception in 2013. Mr. Thomson’s Total Direct Compensation has remained the same since the renewal of his employment agreement in May 2019. There were no increases to the NEOs’ Total Direct Compensation for fiscal 2022 other than for Mr. Pitofsky, whose base salary, target annual cash incentive and target long-term equity incentive opportunity were increased in connection with the renewal of his employment agreement in June 2021.

Named Executive Officer	Base Salary	Target Annual Cash Incentive	Target Long-Term Equity Incentive	Total Direct Compensation

In conjunction with the Board’s approval of the annual budget at the beginning of fiscal 2022, the Compensation Committee approved a financial target for the fiscal 2022 annual cash incentives, setting the midpoint of the target range for adjusted** Total Segment EBITDA at \$1.593 billion, based on the Company’s annual budget and strategic plan. The Company achieved adjusted Total Segment EBITDA of \$1.807 billion, resulting in a calculated 156.5% payout of the quantitative portion of the award. The Compensation Committee also evaluated each NEO’s achievements and contributions during fiscal 2022 to determine payouts of the qualitative portion of each NEO’s award ranging from 100% to 200%.

For the fiscal 2020-2022 PSUs, the Compensation Committee approved performance targets at the beginning of the performance period in conjunction with the Company’s long-range plan, setting the midpoints of the target ranges for cumulative adjusted** earnings per share (“EPS”) and cumulative adjusted** free cash flow (“FCF”) at \$1.75 and \$1.475 billion, respectively, and the target for total shareholder return (“TSR”) relative to the individual companies comprising the S&P 1500 Media Index at the 50th percentile. The Company achieved \$2.09, \$2.633 billion and the 82.3rd percentile, respectively, during the performance period, resulting in a 168.9% overall payout for the fiscal 2020-2022 PSUs. For more information, please see “—Named Executive Officer Compensation— Payout of Fiscal 2020-2022 PSUs.”

* Total Segment EBITDA and free cash flow available to News Corp are non-GAAP financial measures. For information on these metrics, as defined by the Company, including reconciliations to the most comparable GAAP measures, please see pages 43-44 and 51-52, respectively, of the Company’s Annual Report on Form 10-K for the year ended June 30, 2022 filed with the SEC on August 12, 2022.

** Consistent with the framework set in advance for the annual cash incentive program and the fiscal 2020-2022 PSUs, the Compensation Committee approved adjustments to performance metric calculations for purposes of determining payouts. These adjustments can result in either increases or decreases to achieved results and are intended to ensure that award payments reflect the underlying performance of the Company’s business and are not artificially inflated or deflated due to unusual events. Adjustments were made for gains or losses associated with the sale or purchase of property and/or businesses, litigation expenses, equity earnings, restructuring and impairment charges, currency fluctuations, other non-recurring or unusual items, and the tax impact and minority interest of the foregoing. The Compensation Committee reviews and approves all adjustments to ensure they are consistent with the Compensation Committee’s philosophy on executive pay.

COMPENSATION DISCUSSION AND ANALYSIS

NEO Compensation Program Practices

The Company's executive compensation practices are designed to drive performance and support alignment with stockholders' long-term interests:

What We Do

- **Majority of compensation is "at risk"** - variable, performance-based compensation comprises significant majority of NEO compensation
- **Pay-for-performance philosophy** - executive compensation is directly tied to Company and individual performance, with the majority of pay earned through the achievement of challenging goals aligned with Company strategy
- **Multiple performance metrics** - balanced mix of diversified performance metrics measured over short- and long-term time horizons to incentivize and reward the achievement of multiple dimensions of our operational and long-term business strategy
- **Capped payouts** of annual cash incentives and long-term equity incentives

Executive Compensation Practices

How Executive Compensation Decisions Are Made

The Compensation Committee reviews each NEO's compensation terms at the beginning of the fiscal year, taking into account relevant factors including the nature and scope of the NEO's role and responsibilities, leadership and management experience, individual contributions, Company performance, achievement of strategic objectives, market compensation levels and industry and geographic considerations (as further described below under "—Comparative Market Data and Industry Trends"), retention considerations, the terms of the NEO's employment agreement, tenure, prior compensation and internal pay parity. The Compensation Committee also considers feedback from stockholders gathered through regular engagement and the results of the annual say-on-pay vote.

NEOs do not participate in the Compensation Committee's deliberations or decisions regarding their own compensation. Management and the Compensation Committee's independent compensation consultant assist the Compensation Committee in determining NEO compensation by providing data, analyses and recommendations. In addition, the Executive Chairman and CEO present individual pay recommendations to the Compensation Committee for the other NEOs. These recommendations are based on their assessments of individual contributions, achievement of performance objectives and other factors. Following such review, the Compensation Committee approves the compensation terms for all NEOs other than the CEO, whose compensation terms are approved by the Board after considering the recommendation of the Compensation Committee.

Role of the Independent Compensation Consultant

During fiscal 2022, the Compensation Committee continued to retain Frederic W. Cook & Co., Inc. ("FW Cook") as an independent compensation consultant. FW Cook serves as an objective third-party advisor to the Compensation Committee on compensation matters, assessing the reasonableness of compensation levels in comparison with those of similarly situated companies and evaluating the effectiveness of the executive compensation program in supporting the Company's strategic objectives. FW Cook reports directly to the Compensation Committee, which may replace the consultant or hire additional consultants at any time. In fiscal 2022, FW Cook supported the Compensation Committee by (i) attending Compensation Committee meetings; (ii) providing advice on the Company's executive and Non-Executive Director compensation programs, incentive plan designs and compensation governance policies; (iii) preparing and presenting analyses on compensation levels, including competitive assessments of the Company's practices and policies; (iv) evaluating the relationship between NEO pay and Company performance; and (v) assisting the Company in preparing compensation-related materials and disclosure as requested by the Compensation Committee. FW Cook provided no other services to and received no other fees or compensation from the Company.

In June 2022, the Compensation Committee considered FW Cook's independence and the existence of potential conflicts of interest with FW Cook, including by considering the factors prescribed by Nasdaq listing rules and SEC rules. Based on such evaluation, the Compensation Committee determined that no conflict of interest exists.

* Pursuant to terms of his employment agreement, effective May 2019, at least \$1,000,000 of Mr. Thomson's aggregate long-term equity incentive target is to be solely based on the achievement of relative total stockholder return. See also "—Payout of Fiscal 2020-2022 PSUs" and "—Grant of Fiscal 2022-2024 Long-Term Equity Incentive." The balance of his long-term equity incentive is weighted as set forth in this table.

Base Salary

The Compensation Committee, in conjunction with its independent compensation consultant, annually reviews the NEOs' base salaries and makes appropriate adjustments subject to the terms of individual employment agreements. The base salaries for the NEOs other than Mr. Pitofsky, who received a salary increase in connection with the renewal of his employment agreement in June 2021, were not increased for fiscal 2022. Mr. K.R. Murdoch's

base salary has remained unchanged since fiscal 2014 and Mr. Thomson's base salary has remained unchanged since fiscal 2019.

Performance-Based Incentive Compensation

Consistent with the Company's pay-for-performance philosophy, and to promote alignment with stockholders' interests, the majority of each NEO's compensation is paid via two performance-based incentive components: the annual cash incentive and

the long-term equity incentive, awarded in the form of PSUs and RSUs. The Compensation Committee selects the performance metrics and sets the performance targets for both incentive components at the start of each performance period following the Board’s review of the Company’s annual budget and strategic plan. Performance targets are designed to be challenging yet reasonably achievable, in order to incentivize superior performance while maintaining focus on the Company’s long-term growth.

Fiscal 2022 Annual Cash Incentives

The Compensation Committee approved a framework for the NEOs’ annual cash incentives for fiscal 2022 that included a mix of quantitative and qualitative factors designed to support the achievement of critical operating goals of the Company’s businesses, while also recognizing and rewarding the NEOs’ individual contributions.

Annual cash incentive awards are based two-thirds on the achievement of adjusted Total Segment EBITDA, and one-third on a qualitative assessment of individual performance. Adjusted Total Segment

EBITDA was selected as the financial performance metric because it is a key measure of Company profitability for which the NEOs have direct responsibility.

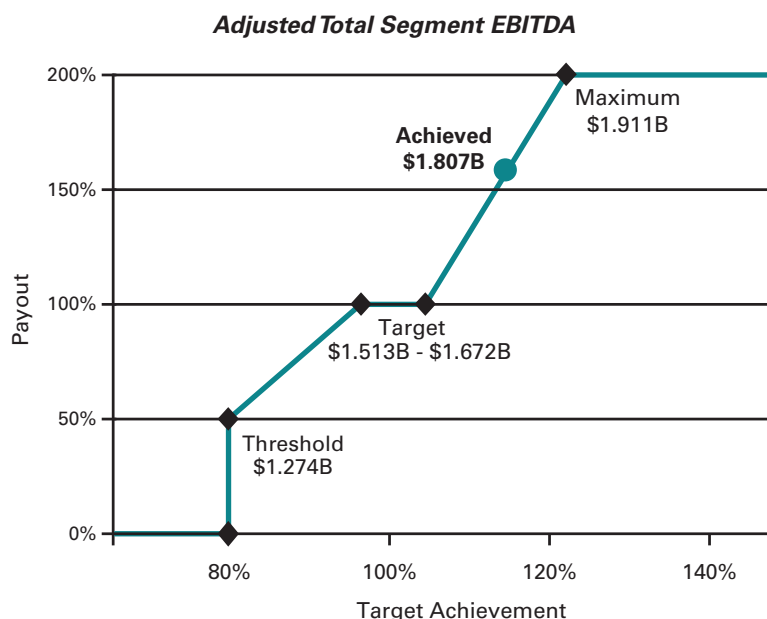

In determining the qualitative portion of the annual cash incentive, the Compensation Committee considers each NEO’s individual contributions toward the strategic leadership of the Company. The Compensation Committee also considers, based on a recommendation from the Audit Committee, management’s performance on ethics and compliance objectives, and determines whether, based on such performance, any reduction to the qualitative portion of the payout of the annual cash incentive is warranted. Beginning in fiscal 2022, the Compensation Committee determined to incorporate additional ESG goals as part of the determination of the qualitative portion of the NEOs’ annual cash incentive. Achievements in the categories of ESG governance, ESG communications, environment and sustainability, human capital, diversity, equity and inclusion, and philanthropy were considered for fiscal 2022.

The target annual cash incentives for the NEOs other than Mr. Pitofsky, who received an increase in connection with the renewal of his employment agreement, were not increased for fiscal 2022. The Board (in the case of Mr. Thomson) and the Compensation Committee (in the case of the other NEOs) approved the following target and maximum amounts for the fiscal 2022 annual cash incentives:

Named Executive Officer	Fiscal 2022 Annual Cash Incentive	
	Target	Maximum
K. Rupert Murdoch	\$2,000,000	\$ 4,000,000
Robert J. Thomson	\$5,000,000	\$10,000,000
Susan Panuccio	\$2,000,000	\$ 4,000,000
David B. Pitofsky	\$1,200,000	\$ 2,400,000

COMPENSATION DISCUSSION AND ANALYSIS

For fiscal 2022, the Compensation Committee set a target range for adjusted Total Segment EBITDA of \$1.513 billion to \$1.672 billion, based on the Company's annual budget and strategic plan. Consistent with its past practice, the Committee approved a target range, rather than a specific amount, to better maintain alignment of actual payouts with underlying performance. Performance within the target range results in a payout of 100% for the quantitative portion of the annual cash incentive; this payout is interpolated on a linear basis for performance that falls between a threshold level and the target range or between the target range and a maximum level. As set forth below, the Company's actual adjusted Total Segment EBITDA performance resulted in a payout of 156.5% pursuant to the performance curve previously established by the Compensation Committee for fiscal 2022.

The Compensation Committee also considered each individual NEO's significant and numerous contributions and strong leadership in the development and implementation of Company strategy. In assessing the NEOs' performance and determining the appropriate award amounts, the Compensation Committee acknowledged the following specific achievements:

To calculate payouts of the NEOs’ fiscal 2022 annual cash incentives, the Compensation Committee determined that the Company’s adjusted Total Segment EBITDA was approximately \$1.807 billion and, as a result, 156.5% of the quantitative portion of the annual cash incentives was achieved. In light of this achievement and the individual accomplishments described above, the Compensation Committee determined that the qualitative portion of the annual cash incentives were achieved in the amounts set forth below and approved fiscal 2022 annual cash incentive payouts for Mr. K.R. Murdoch, Ms. Panuccio and Mr. Pitofsky, and the Compensation Committee recommended and the Board approved the payout for Mr. Thomson, each as set forth below.

Grant of Fiscal 2022-2024 Long-Term Equity Incentive

In August 2021, the Compensation Committee determined the target value of the fiscal 2022-2024 long-term equity incentive for each NEO, which was converted to a target number of shares based on the closing price of the Company’s Class A Common

Stock on August 13, 2021, the trading day immediately prior to August 15, 2021. Consistent with its past practice, the Compensation Committee determined to award a mix of performance- and time-based equity awards to the NEOs. The target value of the awards granted to Mr. K.R. Murdoch,

COMPENSATION DISCUSSION AND ANALYSIS

Ms. Panuccio and Mr. Pitofsky was granted approximately 70% in the form of PSUs based on the metrics outlined below and approximately 30% in the form of RSUs. For the award granted to Mr. Thomson, \$1,000,000, or 14.3%, of the target value was granted in the form of PSUs based solely on the achievement of relative TSR, in line with the terms of his employment agreement as amended in May 2019. The remaining \$6 million, or 85.7%, in target value was granted 70% in the form of PSUs based on the metrics outlined below and 30% in the form of RSUs. The Compensation Committee believes granting a mix of time-based and performance-based equity awards serves to focus the NEOs on the Company's long-term success, while encouraging retention and deterring excessive risk-taking.

Payouts of the fiscal 2022-2024 PSUs will be determined based on the achievement of performance targets established by the Compensation Committee in August 2021 reflecting the Company's long-range plan. The performance metrics and their respective weightings for the fiscal 2022-2024 PSUs are generally as follows:

- 40% based on cumulative adjusted EPS;
- 40% based on cumulative adjusted FCF; and
- 20% based on the Company's three-year TSR percentile relative to the individual companies comprising the S&P 1500 Media Index (with a target of 50th percentile and performance curve consistent with prior years).

After the end of the performance period, the Compensation Committee will evaluate the Company's actual performance against the targets set by the Compensation Committee at the start of the period and determine payouts for the NEOs using the following formula:

$$\begin{array}{ccc}
 \begin{array}{c} \text{PSU} \\ \text{Target Shares} \end{array} & \times & \begin{array}{c} \text{Payout Multiplier} \\ 0 - 200\% \text{ based on} \\ \text{Company performance against the three} \\ \text{weighted performance metrics} \end{array} & = & \begin{array}{c} \text{Final PSU} \\ \text{Award} \end{array}
 \end{array}$$

Final PSU awards will cliff vest on the August 15th following the completion of the three-fiscal-year performance period, subject generally to continued service through such date. RSUs granted to the NEOs will vest ratably in thirds on the first, second and third August 15th following the end of the fiscal year of grant, subject generally to continued service through such date.

Equity awards granted to Ms. Panuccio and Mr. Pitofsky are settled net of taxes in shares of Class A Common Stock. Equity awards granted to Messrs. K.R. Murdoch and Thomson are settled net of taxes in cash rather than stock pursuant to the Company's policy of settling Directors' equity awards in cash to address certain requirements of the Australian Securities Exchange (the "ASX").

Accordingly, PSUs granted to the NEOs are fully at risk for financial performance during the three-year performance period and for stock price performance until their vesting date. RSUs granted to the NEOs are fully at risk for stock price performance until their respective vesting dates.

The Compensation Committee approved the target values resulting in the corresponding target shares set forth below for the NEOs' fiscal 2022-2024 PSUs and RSUs.

Named Executive Officer	Fiscal 2022-2024 Long-Term Equity Incentive Awards			
	Target Value	Target PSUs	RSUs	Total
K. Rupert Murdoch	\$2,000,000	59,524	25,510	85,034
Robert J. Thomson	\$7,000,000	221,089	76,530	297,619
Susan Panuccio	\$2,200,000	65,476	28,061	93,537
David B. Pitofsky	\$1,600,000	47,619	20,408	68,027

The NEOs receive dividend equivalents on earned PSUs and RSUs, in order to further align our executive compensation with total return to stockholders. Such dividend equivalents are represented by additional PSUs or RSUs, as

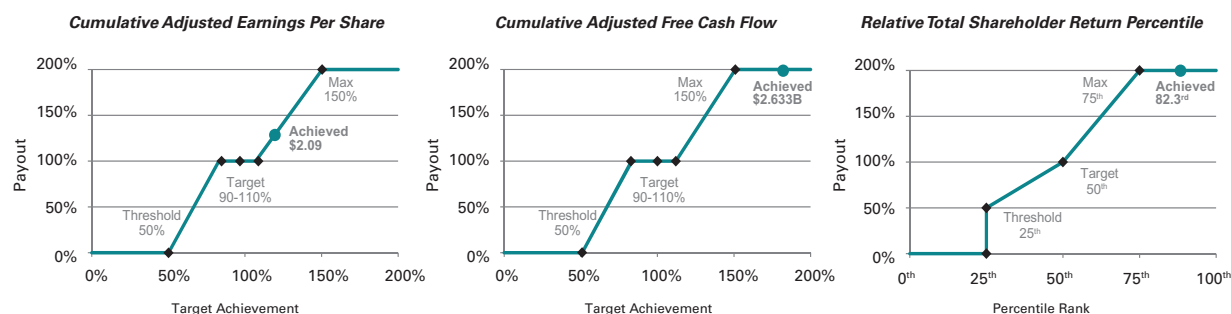

applicable, are subject to the same performance- and/or time-based vesting conditions as the underlying PSUs or RSUs and are payable when, and only to the extent that, the underlying PSUs or RSUs vest.

Payout of Fiscal 2020-2022 PSUs

The NEOs’ fiscal 2020-2022 long-term equity incentive was granted solely in the form of PSUs. In August 2019, the Compensation Committee approved the grant of the fiscal 2020-2022 PSUs. The payout of the fiscal 2020-2022 PSUs was based on the achievement of performance targets established by the Compensation Committee at the beginning of the three-year performance period that ended on June 30, 2022. The performance metrics and their respective weightings were generally the same as those established for the fiscal 2022-2024 PSUs, as follows:

- 40% based on cumulative adjusted EPS;
- 40% based on cumulative adjusted FCF; and
- 20% based on the Company’s three-year TSR percentile relative to the individual companies comprising the S&P 1500 Media Index.

For the cumulative adjusted EPS and cumulative adjusted FCF metrics, performance within the target range results in a payout of 100% for that metric; the payout is interpolated on a linear basis for performance that falls between a threshold level and the target range or between the target range and a maximum level. The Company’s actual performance versus the performance curve established by the Compensation Committee for each metric over the three-year performance period is set forth below:

Based on such performance, the Compensation Committee determined the final payout multiplier on the fiscal 2020-2022 PSUs of 168.9%, as set forth below:

Metric	Metric Weighting	Target (Range)	Achieved	Payout Multiplier
Cumulative adjusted EPS	40%	\$1.58 - \$1.93	\$2.09	48.9%
Cumulative adjusted FCF	40%	\$1.327 - \$1.622 billion	\$2.633 billion	80.0%
Relative TSR percentile	20%	50th	82.3rd	40.0%
				168.9%

COMPENSATION DISCUSSION AND ANALYSIS

The application of the payout multipliers to each NEO's target shares resulted in vesting on August 15, 2022 as indicated below:

Named Executive Officer	Payout of Fiscal 2020-2022 PSUs		
	Target Shares*	Payout Multiplier	Final PSU Award
K. Rupert Murdoch	155,218	168.9%	262,163

Susan Panuccio	135,815	168.9%	229,391
David B. Pitofsky	108,650	168.9%	183,509

* Includes dividend equivalents, which vested at the same time and were subject to the same payout multiplier as the underlying award.

** Pursuant to the terms of his employment agreement, \$1,000,000, or 14%, of Mr. Thomson's aggregate long-term equity incentive target was solely based on the achievement of relative total stockholder return. The balance of his long-term equity incentive was weighted as set forth above.

Retirement Benefits

The Company provides retirement benefits through a 401(k) plan as well as the News Corp Restoration Plan (the "Restoration Plan"), an unfunded nonqualified defined contribution plan maintained for the benefit of certain management and other highly compensated employees of the Company, including the CEO, CFO and General Counsel. The Restoration Plan provides participants with retirement benefits which would have become payable under the Company's traditional qualified retirement plans but for limitations imposed by the Internal Revenue Code of 1986, as amended (the "Tax Code"). For additional information on the Restoration Plan, please see the "Nonqualified Deferred Compensation Table" and its accompanying footnotes and "Description of Restoration Plan" in the section titled "Executive Compensation" below. Mr. K.R. Murdoch does not participate in the Company's retirement plans.

Mr. Thomson and Ms. Panuccio are also entitled to pension benefits accrued prior to the separation of the Company's businesses from its former parent, 21st Century Fox, on June 28, 2013 (the "Separation") under certain U.S.-qualified, U.K.-registered

(qualified) and/or U.K. unfunded nonqualified defined benefit plans in connection with services rendered to 21st Century Fox. The liabilities for such benefits have been assumed by the Company, and following the Separation, there were no further accruals under these arrangements. For additional information on these arrangements, please see the "Pension Benefits Table" and its accompanying footnotes, and "Description of Pension Benefits" in the section titled "Executive Compensation" below. In addition, Ms. Panuccio has an Australia-based benefit related to prior service outside the U.S.

Perquisites

The NEOs are provided with limited perquisites that the Compensation Committee believes are reasonable and consistent with the Company's overall compensation philosophy. Perquisites constitute a small percentage of each NEO's total compensation package. The perquisites received by each NEO in fiscal 2022 are reported as required in the "Summary Compensation Table" and its accompanying footnotes in the section titled "Executive Compensation" below.

Comparative Market Data and Industry Trends

The Compensation Committee considers compensation data and practices of a group of peer companies (the "Peer Group"), as well as current market trends and practices generally, in designing competitive and appropriate compensation packages for the NEOs. The Compensation Committee believes that a competitive executive compensation program is essential to attract and retain talented executives with the requisite skills and experience to successfully manage the Company's businesses. The Compensation Committee considers

both individual elements of compensation and total compensation of similarly situated executives at companies in the Peer Group. Given the Company's diverse business portfolio, which is comprised of operating companies across multiple industries and markets, the Compensation Committee believes that strict "benchmarking" against the Peer Group does not provide a broad enough view for establishing executive compensation and it does not set compensation targets for the NEOs at a specific percentile of the Peer Group.

The Compensation Committee, with advice from its independent compensation consultant, annually reviews the Peer Group and approves updates to its composition as necessary to better reflect the Company's competitive landscape and account for any corporate changes and reorganizations among the Peer Group.

The Company's Peer Group is designed to include:

- Companies with significant content production operations, including online/digital, print and television;
- Companies of comparable financial size (the Company's revenue was at the 58th percentile among the fiscal 2022 Peer Group at the time of its selection in April 2021);
- Competitors for key executive level talent;
- Companies with a significant portion of revenue generated outside the United States; and
- Companies within the same General Industry Classification Standards (GICS) code as the Company.

In April 2021, the Compensation Committee reviewed the fiscal 2021 Peer Group with its independent compensation consultant and determined to add six additional companies to the Peer Group for fiscal 2022, expanding its size from 11 to 17 companies, in order to appropriately reflect the Company's business operations and financial size. In reviewing the Peer Group, the Compensation Committee also considers the companies identified as the Company's peers by proxy advisory firms.

In April 2022, the Compensation Committee reviewed the fiscal 2022 Peer Group with its independent compensation consultant and concluded that it remained appropriate for fiscal 2023.

Severance Arrangements

Mr. Thomson, Ms. Panuccio and Mr. Pitofsky are each party to a negotiated employment agreement that provides for certain payments and benefits upon his or her separation from the Company. Mr. K.R. Murdoch is party to a letter agreement that contains termination provisions relating to annual and long-term incentive awards. Such employment agreements and provisions relating to severance

arrangements are more fully described under "Executive Compensation—Potential Payments upon Termination." None of the NEOs' employment agreements provides benefits that are triggered in whole or in part solely by a change in control of the Company (*i.e.*, the agreements do not provide automatic single trigger benefits).

COMPENSATION DISCUSSION AND ANALYSIS

The Company believes that providing appropriate severance benefits helps attract and retain highly qualified executives by mitigating the risks associated with leaving a previous employer and accepting a new position with the Company and by

providing income continuity following an unexpected termination. These arrangements also allow the Company to protect its interests through confidentiality, non-competition and other restrictive covenants in the event of an executive's termination.

Stock Ownership Guidelines for Executive Officers

The Compensation Committee has adopted stock ownership guidelines for the CEO, CFO and General Counsel, which require each such executive officer to maintain a substantial stake in the Company to help promote a long-term focus and further align the interests of executives with those of other Company stockholders. The CEO's stock ownership guideline is five times base salary, the CFO's stock ownership guideline is two times base salary and the General

Counsel's stock ownership guideline is one times base salary. Directly held shares and unvested equity awards (whether cash- or stock-settled) count toward the stock ownership guidelines. Each executive officer has five years following appointment to a position that is subject to a stock ownership guideline to comply with such requirement. The CEO, CFO and General Counsel are each currently in compliance with their respective requirements.

Clawback Policies

The Board has adopted policies requiring the recoupment of performance-based bonus compensation paid to the NEOs and certain other executives in the event of certain financial restatements and of other bonus

compensation to all executives in certain cases of misconduct, to the extent permitted by governing law and any employment arrangements entered into prior to the adoption of the policies.

Prohibition on Hedging and Pledging of News Corporation Stock

The Company prohibits all Directors and employees, including the NEOs, from engaging in short sales of the Company's securities and investing in Company-based derivative securities, including options, warrants, stock appreciation rights or similar rights whose value is derived from the value of the Company's common stock. This prohibition includes, but is not limited to, trading in Company-based put or call option contracts, straddles and similar instruments designed to offset the risks of ownership

of the Company's securities. However, holding and exercising employee stock options, RSUs or other equity-based awards granted under the Company's equity compensation plans is not prohibited.

Directors and employees, including the NEOs, are also prohibited from hedging or pledging any Company securities that they hold directly or have received as equity compensation.

Compensation Deductibility Policy

Section 162(m) of the Tax Code, as amended by the Tax Cuts and Jobs Act of 2017, generally prohibits the deduction as a compensation expense of executive compensation in excess of \$1 million per year. The Compensation Committee has approved, and may continue to approve, compensation exceeding the \$1 million limitation, including with respect to a portion of base salary, annual cash incentives and

long-term equity incentives, in order to provide appropriate compensation. While accounting and tax treatment are relevant issues to consider, the Compensation Committee believes that stockholder interests are best served by not restricting flexibility in designing compensation programs, even though such programs may result in nondeductible compensation expenses for tax purposes.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors has reviewed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and discussed it with the Company's management. Based on the Compensation Committee's review and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be

included in this proxy statement and incorporated by reference into the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2022.

THE COMPENSATION COMMITTEE:

Masroor Siddiqui (Chair)
Natalie Bancroft
Peter L. Barnes

RISKS RELATED TO COMPENSATION POLICIES AND PRACTICES

The Compensation Committee is responsible for reviewing the compensation policies and practices of the Company and its subsidiaries to determine whether they create risk-taking incentives that are reasonably likely to have a material adverse impact on the Company. At the direction of the Compensation Committee, members of senior management conducted a risk assessment involving the collection and review of information regarding pay practices and risk-mitigation factors at the Company. Following an analysis of the results of the risk assessment with the Compensation Committee, the Compensation Committee concluded that the risks arising from the Company's compensation

policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company. The Company's compensation programs include features designed to discourage undue risk-taking by employees, including significant management discretion and oversight, a balance of annual and long-term incentives for senior executives, the use of multiple performance metrics which are generally set at the beginning of the performance period, award opportunities that are fixed or capped and recoupment provisions for bonus compensation granted to the NEOs and certain other senior executives in the event of certain financial restatements or certain other instances.

- (a) The amounts reported in this column represent base salaries paid to each of the NEOs for the applicable fiscal year as provided for in each of their respective employment agreements or compensation arrangements. Fiscal 2022 included 53 weeks and fiscal 2021 and fiscal 2020 each included 52 weeks.
- (b) The amounts set forth in the "Stock Awards" column represent the aggregate grant date fair value of stock awards granted during the applicable fiscal year calculated based on the probable outcome of performance conditions as of the date of grant in accordance with FASB ASC Topic 718, excluding the effect of estimated forfeitures. Assuming the maximum level of performance, the grant date fair value of the fiscal 2022-2024 stock awards would be: \$3,774,745 for Mr. K.R. Murdoch; \$14,229,374 for Mr. Thomson; \$4,134,718 for Ms. Panuccio; and \$3,006,876 for Mr. Pitofsky. The actual value, if any, the executives will realize for these awards is a function of the value of the underlying shares if and when these awards vest and the level of attainment of the applicable performance targets. Please see the "Grants of Plan-Based Awards Table" below for more information regarding the stock awards granted in fiscal 2022. For additional information on how we account for equity-based compensation, see Note 13 to our consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2022 filed with the SEC on August 12, 2022.
- (c) The amounts reported in this column for fiscal 2020 reflect reduced annual cash incentive payments under the voluntary decisions by Mr. K.R. Murdoch to forgo all of his fiscal 2020 annual cash incentive, Mr. Thomson to forgo 75% of his fiscal 2020 target annual cash incentive and Ms. Panuccio and Mr. Pitofsky to forgo 25% of their fiscal 2020 target annual cash incentives, which were made in light of the Company's increased focus on costs amidst the COVID-19 pandemic prior to any determination by the Compensation Committee of the calculated payout of such awards.
- (d) In fiscal 2022, there was a decrease in pension value of \$1,262,674 for Mr. Thomson and \$411,367 for Ms. Panuccio. As a result, a change of \$0 is reported in this column in accordance with SEC rules. Changes in pension value as reported in the "Summary Compensation Table" are theoretical as these amounts are calculated pursuant to SEC requirements and are based on a retirement assumption of age 60 and other assumptions used in preparing our consolidated financial statements for fiscal 2022, fiscal 2021 and fiscal 2020. The change from year to year in actuarial present value for each NEO's accumulated pension benefits under the applicable Company pension plans is subject to market volatility and may not represent, nor does it affect, the value that a NEO will actually accrue under the Company's pension plans during any given fiscal year. Changes in pension value are denominated in British pounds sterling, and have been converted into U.S. dollars for fiscal 2022 using the average exchange rate for fiscal 2022, which was 1 USD = 0.7524 GBP, as reported on Bloomberg. There were no above-market earnings or preferential earnings on any compensation that was deferred pursuant to a nonqualified deferred compensation plan or on any other basis that is not tax-qualified.

- (e) "All Other Compensation" paid in fiscal 2022 is calculated based on the aggregate incremental cost to the Company. To the extent the value of all perquisites and personal benefits did not exceed \$10,000 in a given fiscal year for any NEO, such amounts are not disclosed below or in the table above as permitted under SEC rules. The amounts included in this column for fiscal 2022 comprise the following:

Pension and retirement benefits are denominated in British pounds sterling, and have been converted into U.S. dollars using the spot exchange rate as of July 1, 2022, the last trading day of fiscal 2022, which was 1 USD = 0.8265 GBP, as reported on Bloomberg.

Description of Pension Benefits

Mr. Thomson and Ms. Panuccio have pension benefits from Company-sponsored plans that were earned in connection with their employment in periods prior to the Separation by News International and News UK, divisions of the Company which at the time were divisions of the Company's former parent. The News International Pension and Life Assurance Plan for Senior Executives (the "Registered Plan") provides select U.K. executives with pension benefits for services rendered. The Registered Plan was frozen to additional future benefits effective March 31, 2011 and benefits are determined using formulas that were based on the period of employment through such date. The applicable formula for Mr. Thomson and Ms. Panuccio was an annual benefit accrual of 1/45th of pensionable salary (limited to the pension salary cap where applicable) and is payable at age 60 in the form of a member annuity plus a 50% survivor annuity. The benefit at retirement is adjusted annually in payment for inflation as measured by the lesser of the change in the consumer price index or retail price index, subject to a cap of 5%.

Mr. Thomson also has an accrued benefit in the News International Unapproved Pension and Life Assurance Plan (the "Supplementary Plan"). The Supplementary Plan is a non-registered plan that provides benefits that were not available in the Registered Plan as a result of the application of the U.K. statutory earnings cap and was also frozen to additional future benefits effective March 31, 2011. Upon Mr. Thomson's transfer to the U.S. in 2008, the Company extended to Mr. Thomson benefits through the Employer-Financed Retirement Benefits Scheme (the "EFRBS") equivalent to the benefit amounts provided by the Registered Plan and the Supplementary Plan. The EFRBS is subject to Section 409A of the Tax Code, and the full commuted value of the EFRBS benefit is payable as a single lump sum upon separation of employment. The EFRBS was frozen as of June 30, 2013 for future service.

The Registered Plan and the EFRBS provide for a 4% per year reduction in benefits for each year before age 60 that the executive retires.

- (b) Amounts reported in this column are included in the “All Other Compensation” column of the “Summary Compensation Table” for fiscal 2022.

Description of Restoration Plan

The Restoration Plan is a nonqualified unfunded defined contribution retirement plan maintained for the benefit of certain management and other highly compensated employees of the Company, including the CEO, CFO and General Counsel. The Restoration Plan provides participants with retirement benefits which would have become payable under the Company’s traditional qualified retirement plans but for limitations imposed by the Tax Code.

Under the Restoration Plan, participants whose employer contributions under the Company’s qualified retirement plans are limited by the Tax Code are eligible to receive an amount credited to their account equal to 5.5% of their compensation in

excess of the compensation limits of the Tax Code, subject to a compensation cap of \$5,000,000 for each of the CEO, CFO and General Counsel. The amounts credited to each participant’s account are fully vested following attainment of two years of service with the Company. Participants in the plan have the ability to direct their assets into the same fund choices available through the Company’s U.S. qualified retirement plans. Amounts in a participant’s account will be credited with gains and losses associated to the participant’s fund elections. Participants will receive distributions of vested benefits upon termination of employment in accordance with the payment schedule set forth under the plan rules.

Potential Payments upon Termination

The employment agreements of Mr. Thomson, Ms. Panuccio and Mr. Pitofsky provide for certain payments and benefits upon their respective separations from the Company. In addition, a letter agreement with Mr. K.R. Murdoch contains certain termination provisions relating to his performance-based annual bonus and outstanding equity awards. These provisions are summarized below. Furthermore, the Company’s equity award agreements include certain termination-related vesting provisions.

K. Rupert Murdoch

On June 27, 2014, the Company entered into a letter agreement with Mr. K.R. Murdoch (the “KRM Letter Agreement”) to address the treatment of his annual bonus and long-term equity incentives upon the occurrence of certain terminations of his employment

with the Company. For additional information regarding the methodology and calculation of the annual bonus and long-term equity incentives, see “Compensation Discussion and Analysis—Named Executive Officer Compensation” above.

Pursuant to the terms of the KRM Letter Agreement and his currently outstanding equity award agreements, if the employment of Mr. K.R. Murdoch is terminated due to death or disability, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred,

calculated based on the pre-determined target annual bonus amount and based on the number of days he was employed by the Company in the fiscal year during which his employment terminated compared to the total number of days in such fiscal year; and

- for PSUs, if such termination event occurs within the second or third fiscal year of any applicable performance period, the full value of any outstanding equity awards, calculated and paid at the end of the applicable performance period as if no termination occurred, and for RSUs, immediate vesting of all outstanding unvested RSUs in the event of his death and continued vesting of outstanding RSUs for a period of three years in the event of his permanent disability.

For purposes of the KRM Letter Agreement, the term “disability” means if Mr. K.R. Murdoch is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a period of not less than 12 months. Under the Company’s 2013 Long-Term Incentive Plan (the “LTIP”), the term “permanent disability” generally has the same meaning as such term or a similar term has in the applicable Company employer’s long-term disability policy.

If Mr. K.R. Murdoch’s employment is terminated for cause, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based solely on the Compensation Committee’s assessment of the Company’s financial and operational performance as compared to the Company’s annual budget, provided that any threshold criteria established by the Compensation Committee as a condition of payment of the annual bonus is satisfied; and
- if such termination event occurs within the second or third fiscal year of any applicable performance period, the pro-rata value of any outstanding equity awards, calculated at the end of the applicable performance

period based on (a) the payout that he would have received if no termination had occurred multiplied by (b)(1) the number of days he was employed by the Company during the applicable performance period divided by (2) the total number of days in such performance period.

For purposes of the KRM Letter Agreement, the term “cause” means (a) a deliberate and material breach by Mr. K.R. Murdoch of his duties and responsibilities that results in material harm to the Company and its affiliates which breach is committed without reasonable belief that such breach is in, or not contrary to, the best interests of the Company, and is not remedied within 30 days after written notice specifying such breach, (b) Mr. K.R. Murdoch’s plea of guilty or *nolo contendere*, or nonappealable conviction of, a felony, which conviction or plea causes material damage to the Company’s reputation or financial position or (c) Mr. K.R. Murdoch’s addiction to drugs or alcohol that results in a material breach of his duties and responsibilities and that results in material harm to the Company and its affiliates, which addiction is not remedied within 30 days after receipt of written notice specifying such breach.

If Mr. K.R. Murdoch’s employment is terminated other than for cause, including due to retirement, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based solely on the Compensation Committee’s assessment of the Company’s financial and operational performance as compared to the Company’s annual budget, provided that any threshold criteria established by the Compensation Committee as a condition of payment of the annual bonus is satisfied; and
- if such termination event occurs within the second or third fiscal year of any applicable performance period, the full value of any outstanding PSUs, calculated and paid at the end of the applicable performance period as if no termination occurred and continued vesting of outstanding RSUs for three years post-termination.

EXECUTIVE COMPENSATION

For purposes of the KRM Letter Agreement, the term “retirement” means Mr. K.R. Murdoch’s resignation or termination of employment after attainment of age 60 with 10 years of service so long as he is not then employed by another company. A similar definition applies under the LTIP, which defines a “retirement” as the resignation or termination of employment after attainment of age 60 with ten years of service.

With respect to any outstanding equity awards, in the event of any type of termination that occurs on or prior to the last day of the first fiscal year of any applicable performance period, the entire award will be forfeited.

Robert J. Thomson

Mr. Thomson is party to an amended and restated employment agreement with the Company, dated as of May 9, 2019 (the “Thomson Agreement”). The term of the Thomson Agreement extends through June 30, 2023. Pursuant to the Thomson Agreement, Mr. Thomson will receive a base salary at an annual rate of \$3,000,000 and is eligible to receive a performance-based annual bonus with a target of \$5,000,000.

Mr. Thomson is also eligible to receive annual grants of long-term performance-based equity awards with a target of \$7,000,000, provided that at least \$1,000,000 of such target will be solely based on the achievement of relative total stockholder return. If, after the expiration date of the Thomson Agreement, Mr. Thomson is not offered an extension or renewal of the agreement on similar or better terms, he will be eligible to continue to vest in any equity awards granted to him during the term of his employment.

Mr. Thomson is eligible to participate in incentive or benefit plans or arrangements in effect or to be adopted by the Company or its applicable affiliates and to such other perquisites as are applicable to the Company’s other senior executives of equal rank.

Pursuant to the Thomson Agreement and his currently outstanding equity award agreements, during any period that Mr. Thomson fails to perform his duties as a result of incapacity and disability due to physical or mental illness, or if Mr. Thomson is terminated by reason of his death, Mr. Thomson (or his surviving spouse or other designee or the legal representative of his estate) is entitled to:

- continue to receive his full base salary until Mr. Thomson returns to his duties or until one year following his termination;

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and the number of days he was employed by the Company in the fiscal year during which his employment terminated compared to the total number of days in such fiscal year; and
- vesting and payment of his outstanding equity awards as set forth in the applicable equity award agreements, which for PSUs, provide that if termination due to death or qualifying disability occurs beyond the last day of the first fiscal year of the applicable performance period, (i) in the event of death, his estate will receive the cash value of shares of the Company’s Class A Common Stock as soon as practicable, based on the projected performance of the Company, as determined by the Company, for all awards with less than one year remaining in the performance period, and based on target level performance otherwise, and (ii) in the event of a qualifying disability, he will receive the cash value of shares of the Company’s Class A Common Stock based on the overall payout multiplier for the performance objectives on the applicable vesting date(s), and for RSUs, provide for immediate vesting of all outstanding unvested RSUs in the event of his death and continued vesting of outstanding RSUs for a period of three years in the event of his permanent disability.

The Company may terminate Mr. Thomson’s employment if, as a result of his incapacity and disability due to physical or mental illness, he fails to perform his duties for one year.

If Mr. Thomson’s employment is terminated by the Company for cause, Mr. Thomson will be entitled to receive:

- his full base salary through the date of termination; and
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination.

For purposes of the Thomson Agreement, the term “cause” means Mr. Thomson’s: (i) conviction of, or plea of guilty or *nolo contendere* to, a felony or crime involving moral turpitude; (ii) engaging in willful neglect or willful misconduct in carrying out his duties under the Thomson Agreement, which breach, if curable, remains uncured 15 days after written notice specifying such breach; (iii) breach of any material representation, warranty, covenant or term of the Thomson Agreement, including, among other things, a breach of written Company policy, which breach, if curable, remains uncured 21 days after written notice specifying such breach; (iv) act of fraud or dishonesty in the performance of his job duties; (v) intentionally engaging in conduct which impacts negatively and materially on the reputation or image of the Company, its affiliates or any of their respective products; and/or (vi) use of or addiction to illegal drugs.

Under the applicable equity award agreements, in the event of a “retirement” defined as the resignation or termination of employment after attainment of age 60 with ten years of service, Mr. Thomson would be entitled to the cash value of shares of the Company’s Class A Common Stock based on the overall payout multiplier for the performance objectives on the applicable vesting date(s) for any outstanding PSUs and continued vesting of outstanding RSUs for three years post-termination.

If Mr. Thomson’s employment is terminated by the Company other than for cause, death or disability, or by Mr. Thomson for good reason, Mr. Thomson will be entitled to receive:

- his base salary and annual bonus for two years after the date of termination, with the annual bonus based on Mr. Thomson’s then-current annual bonus target;
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and the number of days he was employed by the Company in the fiscal year during which his employment terminated compared to the total number of days in such fiscal year; and

- continued vesting of equity awards granted to him prior to the date of termination in the same manner as though he continued to be employed for two years after the date of termination.

For purposes of the Thomson Agreement, the term “good reason” generally means (i) a material breach of the Thomson Agreement by the Company, which breach, if curable, is not cured within 30 days after written notice specifying such breach, (ii) if Mr. Thomson is required to be based and essentially render services in other than the New York City metropolitan area at the Company’s principal offices in such area or (iii) a material diminution in Mr. Thomson’s job description, title, authority, duties or responsibility.

The Company’s obligation to pay compensation and provide benefits following termination are subject to the execution by Mr. Thomson (or the legal representative of his estate, as applicable) of the Company’s then-standard separation agreement and general release, and the continued compliance with the terms, conditions and covenants set forth therein.

Susan Panuccio

Ms. Panuccio is party to an amended and restated employment agreement with the Company, dated as of June 18, 2020, which became effective on July 1, 2020 (the “Panuccio Agreement”). Pursuant to the Panuccio Agreement, Ms. Panuccio receives a base salary at an annual rate of not less than \$1,400,000, and is also eligible to receive a performance-based annual bonus with a target of not less than \$2,000,000 and annual grants of long-term performance-based equity awards with a target of not less than \$2,200,000.

Ms. Panuccio is eligible to participate in incentive or benefit plans or arrangements in effect or to be adopted by the Company or its applicable affiliates and to such other prerequisites as are applicable to the Company’s other senior executives of equal rank.

- continue to receive her full base salary for one year following her termination;

EXECUTIVE COMPENSATION

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus she would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on the number of days she was employed by the Company in the fiscal year during which her employment terminated compared to the total number of days in such fiscal year; and
- per the terms of applicable award agreements, immediate vesting of all outstanding unvested RSUs and vesting of outstanding PSUs for which she was employed beyond the last day of the first fiscal year of the applicable performance period based on projected actual performance for any PSUs with less than one year remaining in the performance period and based on target performance for all other such PSUs.

During any period that Ms. Panuccio fails to perform her duties as a result of incapacity and disability due to physical or mental illness, Ms. Panuccio is entitled to continue to receive her full base salary and benefits for up to one year until Ms. Panuccio returns to her duties or her employment is terminated by the Company pursuant to the Company's right to terminate Ms. Panuccio's employment if, as a result of her incapacity and disability due to physical or mental illness, she has been absent from her duties for seven months and is unable to provide the Company with a note from her treating physician that provides for a definite and reasonable return to work date.

If Ms. Panuccio's employment is terminated by the Company as described in the foregoing sentence, Ms. Panuccio is entitled to:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus she would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined

target annual bonus amount and based on the number of days she was employed by the Company in the fiscal year during which her employment terminated compared to the total number of days in such fiscal year; and

- vesting and payment of her outstanding equity awards as set forth in the applicable equity award agreements, which for PSUs provide that if Ms. Panuccio's employment is terminated in connection with a qualifying disability and such termination occurs beyond the last day of the first fiscal year of the applicable performance period, she will receive shares of the Company's Class A Common Stock based on the overall payout multiplier for the performance objectives on the applicable vesting date(s) and for RSUs provide for continued vesting for a period of three years following such termination.

If Ms. Panuccio's employment is terminated by the Company for cause or if she resigns other than for good reason, Ms. Panuccio will be entitled to receive:

- her full base salary and benefits through the date of termination; and
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination.

For purposes of the Panuccio Agreement, the term "cause" means Ms. Panuccio's: (i) conviction of, or plea of guilty or *nolo contendere* to, a felony or crime involving moral turpitude; (ii) engaging in willful neglect or willful misconduct in carrying out her duties under the Panuccio Agreement, which breach, if curable, remains uncured 15 days after written notice specifying such breach; (iii) breach of any material representation, warranty, covenant or term of the Panuccio Agreement, including, among other things, a breach of written Company policy, which breach, if curable, remains uncured 21 days after written notice specifying such breach; (iv) act of fraud or dishonesty in the performance of her job duties; (v) intentionally engaging in conduct which impacts negatively and materially on the reputation or image of the Company, its affiliates or any of their respective products; and/or (vi) use of or addiction to illegal drugs.

If Ms. Panuccio's employment is terminated by the Company other than for cause, death or disability, or by Ms. Panuccio for good reason, Ms. Panuccio will be entitled to continue to receive:

- the greater of (A) her base salary and annual bonus in the same manner as though Ms. Panuccio continued to be employed through June 2023 and (B) her then current base salary and annual bonus for two years following the date of termination, in each case with the annual bonus payment(s) based on the then current annual bonus target;
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus she would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on the number of days she was employed by the Company in the fiscal year during which her employment terminated compared to the total number of days in such fiscal year;
- continued vesting of equity awards granted to her prior to the date of termination in the same manner as though she continued to be employed through the later of June 2023 and one year following the date of termination; and
- Company-paid premiums under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA"), for her and her eligible dependents for up to the successive 18 months following the date of termination.

For purposes of the Panuccio Agreement, the term "good reason" generally means (i) a material breach of the Panuccio Agreement by the Company, which breach, if curable, is not cured within 30 days after written notice specifying such breach, (ii) if Ms. Panuccio is required to be based and primarily render services in areas other than within 50 miles of the New York City metropolitan area or (iii) a material diminution in Ms. Panuccio's duties thereby diminishing her role. If, following the completion of the term, Ms. Panuccio is not offered a new employment agreement on terms at least as favorable as those in the Panuccio Agreement and

Ms. Panuccio is subsequently terminated without cause, she will be entitled to the benefits in the foregoing paragraph (using the same base salary and annual bonus target as in effect immediately prior to the expiration of the term of the Panuccio Agreement).

The Company's obligation to pay compensation and provide benefits following termination are subject to the execution by Ms. Panuccio (or the legal representative of her estate, as applicable) of the Company's then-standard separation agreement and general release, and the continued compliance with the terms, conditions and covenants set forth therein.

Mr. Pitofsky is eligible to participate in incentive or benefit plans or arrangements in effect or to be adopted by the Company or its applicable affiliates and to such other perquisites as are applicable to the Company's other senior executives of equal rank.

- continue to receive his full base salary for one year following his termination;
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on the number of days he was employed by the

Company in the fiscal year during which his employment terminated compared to the total number of days in such fiscal year; and

- per the terms of applicable award agreements, immediate vesting of all outstanding unvested RSUs and vesting of outstanding PSUs for which he was employed beyond the last day of the first fiscal year of the applicable performance period based on projected actual performance for any PSUs with less than one year remaining in the performance period and based on target performance for all other such PSUs.

During any period that Mr. Pitofsky fails to perform his duties as a result of incapacity and disability due to physical or mental illness, Mr. Pitofsky is entitled to continue to receive his full base salary and benefits for up to one year until Mr. Pitofsky returns to his duties or his employment is terminated by the Company pursuant to the Company's right to terminate Mr. Pitofsky's employment if, as a result of his incapacity and disability due to physical or mental illness, he has been absent from his duties for seven months and is unable to provide the Company with a note from his treating physician that provides for a definite and reasonable return to work date.

If Mr. Pitofsky's employment is terminated by the Company as described in the foregoing sentence, Mr. Pitofsky is entitled to:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;

- vesting and payment of his outstanding equity awards as set forth in the applicable equity award agreements, which for PSUs, provide that if Mr. Pitofsky's employment is terminated in connection with a qualifying disability and such termination occurs beyond the last day of the first fiscal year of the applicable performance period he will

receive shares of the Company's Class A Common Stock based on the overall payout multiplier for the performance objectives on the applicable vesting date(s) and for RSUs provide for continued vesting for a period of three years following such termination.

If Mr. Pitofsky's employment is terminated by the Company for cause or if he resigns other than for good reason, Mr. Pitofsky will be entitled to receive:

- his full base salary and benefits through the date of termination; and
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination.

For purposes of the Pitofsky Agreement, the term “good reason” generally means (i) a material breach of the Pitofsky Agreement by the Company, which

breach, if curable, is not cured within 30 days after written notice specifying such breach, (ii) if Mr. Pitofsky is required to be based and primarily render services in areas other than within 50 miles of the New York City metropolitan area or (iii) a material diminution in Mr. Pitofsky’s duties thereby diminishing his role. The Company’s obligation to pay compensation and provide benefits following termination are subject to the execution by Mr. Pitofsky (or the legal representative of his estate, as applicable) of the Company’s then-standard separation agreement and general release, and the continued compliance with the terms, conditions and covenants set forth therein.

PAY RATIO

In accordance with SEC rules, the Company is providing information about the ratio of the annual total compensation of the CEO to the annual total compensation of the Company's median compensated employee.

Annual total compensation for fiscal 2022 for both the median compensated employee and the CEO were calculated based on rules governing calculation of total compensation reported in the "Summary Compensation Table" for fiscal 2022.

- Annual total compensation of the median compensated employee, other than the CEO, for fiscal 2022: \$76,185
- Annual total compensation of the CEO for fiscal 2022: \$19,662,203
- Ratio of the annual total compensation of the CEO to the annual total compensation of the median compensated employee: 258 to 1

As permitted under SEC rules, the pay ratio reported above uses the median compensated employee identified to calculate the pay ratio in our 2021 proxy statement, as we believe there have been no changes to our employee population or employee compensation arrangements that would significantly impact the pay ratio disclosure.

The Company used April 15, 2021 as the date to determine our median compensated employee. On that date, the Company had a total of approximately

23,000 employees worldwide as reported on our payroll records, which included all international employees (including in North America, Australia, Europe, Asia and South America). To identify the median compensated employee, the Company reviewed base pay, overtime and incentive earnings of employees on our payrolls as of April 15, 2021, excluding the CEO. For part-time employees, base pay reflected the employee's standard hours worked. Amounts denominated in non-U.S. currencies were converted to U.S. dollars using exchange rates as of April 15, 2021.

The pay ratio reported above is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described above. The SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, apply certain exclusions and make reasonable estimates and assumptions that reflect their compensation practices. As a result, the pay ratio disclosed by other companies, including our peer companies, may not be comparable to the pay ratio disclosed above, as other companies have different employee populations and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

PROPOSAL NO. 4:

STOCKHOLDER PROPOSAL REQUESTING ADDITIONAL REPORTING ON LOBBYING

Mr. Kenneth Steiner, 14 Stoner Ave., 2M, Great Neck, NY 11021, who is the beneficial owner of no less than 500 shares of Class B Common Stock as of the date of submission, has given notice that his designee intends to present for action at the Annual Meeting the resolution set forth below. In accordance with SEC rules, we have set forth below the proposal and supporting statement. The stockholder proposal is required to be voted on at our Annual Meeting only if properly presented. The Company is not responsible for any inaccuracies that the proposal or supporting statement may contain.

Whereas, full disclosure of News Corp's lobbying activities and expenditures to assess whether its lobbying is consistent with its expressed goals and stockholders' best interests.

Resolved, the stockholders of News Corp request the preparation of a report, updated annually, disclosing:

1. Company policy and procedures governing lobbying, both direct and indirect, and grassroots lobbying communications.
2. Payments by News Corp used for (a) direct or indirect lobbying or (b) grassroots lobbying communications, in each case including the amount of the payment and the recipient.
3. News Corp's membership in and payments to any tax-exempt organization that writes and endorses model legislation.
4. Description of management's and the Board's decision-making process and oversight for making payments described in sections 2 and 3 above.

For purposes of this proposal, a "grassroots lobbying communication" is a communication directed to the general public that (a) refers to specific legislation or regulation, (b) reflects a view on the legislation or regulation and (c) encourages the recipient of the communication to take action with respect to the legislation or regulation. "Indirect lobbying" is lobbying engaged in by a trade association or other organization of which News Corp is a member.

Both "direct and indirect lobbying" and "grassroots lobbying communications" include efforts at the local, state and federal levels.

The report shall be presented to the Audit Committee and posted on News Corp's website.

Supporting Statement

News Corp spent \$4,087,500 on federal lobbying from 2016-2021. This does not include state lobbying, where News Corp also lobbies but disclosure is uneven or absent. For example, News Corp lobbies in New York. News Corp also lobbies abroad, spending between €25,000-49,999 on lobbying in Europe each year.

Companies can give unlimited amounts to third party groups that spend millions on lobbying and undisclosed grassroots activity. These groups may be spending "at least double what's publicly reported."¹ News Corp fails to disclose its memberships in or payments to trade associations and social welfare organizations or the amounts used for lobbying to stockholders.

News Corp serves on the boards of News Media Alliance and Digital Content Next, which spent together spent \$4 million on federal lobbying in 2020 and 2021, and also belongs to the Media Law Resource Center. And News Corp fails to disclose its payments and memberships in social welfare organizations that lobby, like the Copyright Alliance. And News Corp does not disclose memberships in tax-exempt organizations that write and endorse model legislation, such as the American Legislative Exchange Council.

News Corp's lack of lobbying and trade association disclosure presents reputational risks that could harm long-term value creation. For example, News Corp and its trade associations' lobbying on the Journalism Competition and Preservation Act has been opposed by Breitbart News.² News Corp has previously donated to the Chamber of Commerce.³ And News Corp and the Copyright Alliance's lobbying against public libraries' access to e-books has attracted scrutiny.⁴

I urge News Corp to expand its lobbying disclosure.

AGAINST

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "AGAINST" THIS STOCKHOLDER PROPOSAL.

The Board's Statement Recommending a Vote AGAINST Proposal No. 4

The Board has carefully considered this stockholder proposal and concluded its adoption is not in the best interests of the Company's stockholders.

The Company already provides significant disclosures regarding its political and lobbying activities.

The Board believes that transparency with respect to political and lobbying activities is important and provides both required and voluntary disclosures on these topics. The Company has a longstanding practice of publishing its Political Activities Policy and its corporate political contributions. In 2022, the Company will expand its disclosures to include a consolidated, standalone Political Activities Report¹ that details:

- the Company's policies and processes for political contributions, including Board oversight;
- activity of the News Corporation Political Action Committee, a non-partisan political action committee that provides an opportunity for eligible employees to voluntarily participate in the political process;
- oversight of the Company's state and local political contributions;
- listings of the Company's political contributions for the previous year; and
- the Company's lobbying activities and membership in trade and industry associations that advance the Company's commercial and policy objectives.

The Company intends to update the Political Activities Report annually.

Beyond this significant, voluntary disclosure, the Company complies with the extensive international and U.S. federal, state and local laws and regulations governing lobbying activities to which the Company is subject, including public disclosure requirements. Any lobbying firms hired by the Company are also required to file similar reports, and the trade associations to which the Company belongs are also subject to public disclosure obligations regarding their lobbying efforts.

The Company regularly reviews its disclosures relating to political and lobbying activities and believes these disclosures are appropriate and aligned with, and in some cases, exceed those of its peers. Therefore, the Board does not believe that the additional detailed disclosures contemplated by this proposal would be beneficial to stockholders.

The Company's governance policies provide effective oversight of its political and lobbying activities.

As publicly disclosed, the Company has implemented robust oversight procedures for its lobbying activities. Management of the Company's advocacy activities is the responsibility of the Executive Vice President and Global Head of Government Affairs. The Company's Political Activities Policy is approved by the Board, and policies and practices regarding political contributions are overseen by the Board through its Nominating and Corporate Governance Committee, which comprises solely independent Directors and includes Directors with expertise in government affairs. Management regularly consults with outside counsel to ensure the Company's advocacy activities comply with applicable laws. In addition to controls in place at the management level, employees engaged in lobbying activity receive regular training on lobbying and ethics regulations.

The Company's political and lobbying activities are in the best interest of the Company and its stockholders.

The Board believes the Company should be an effective participant in the political process, including through lobbying activities and participation in trade and industry associations. These activities allow the Company to advocate for the interests of the Company and its businesses, and the industries in which they operate, which the Board believes promotes the long-term interests of the Company's stockholders.

Consistent with its current practice, the Board will continue to oversee and evaluate the Company's policies, practices and disclosures regarding political contributions and lobbying activities. For the reasons discussed above, the Board does not believe adoption of the stockholder proposal is in the best interests of the Company's stockholders.

You may resume receiving copies of these documents by mail at any time by canceling your participation in the electronic delivery program through the same link.

This year, the Annual Meeting will be conducted exclusively virtually via live webcast, as further described below under “—Participating in the Annual Meeting.” **All of the Company’s stockholders and all holders of CDIs exchangeable for shares of common stock are invited to attend and ask questions at the Annual Meeting, subject to compliance with the procedures further described below under “—Participating in the Annual Meeting,” but only holders of Class B Common Stock may vote electronically during the Annual Meeting.**

If you are a record or beneficial holder of Class B Common Stock that intends to vote at the Annual Meeting, you must have your unique control number, which appears on the Notice of Internet Availability, proxy card or instructions that accompanied the proxy materials, ready when accessing the Annual Meeting. If you beneficially own shares of Class B Common Stock and your proxy materials do not include a control number, you should contact the broker, bank or other nominee that holds your shares with any questions about obtaining a control number (preferably at least five days before the Annual Meeting).

Holders of Class B CDIs may attend and participate in the Annual Meeting and vote in advance via Internet or mail, but may not vote electronically during the Annual Meeting.

INFORMATION ABOUT THE ANNUAL MEETING

How can I revoke my proxy or change my vote?

If you are a holder of Class B Common Stock, you may change your vote or revoke your proxy at any time prior to 11:59 p.m. (Eastern Standard Time) on November 14, 2022 by submitting a later-dated proxy card or voting instruction form that is received by such deadline or submitting a subsequent proxy by Internet or telephone. You may also change your vote or revoke your proxy by voting electronically during the Annual Meeting (your attendance at the Annual Meeting will not by itself revoke your proxy).

If you are a holder of Class B CDIs, you may change or revoke your proxy at any time prior to 5:00 p.m. (Australian Eastern Daylight Time) on November 10, 2022 by submitting a later-dated voting instruction form that is received by such deadline or submitting a subsequent proxy by Internet.

How many shares must be represented online or by proxy to hold the Annual Meeting?

In order for the Company to conduct the Annual Meeting, the holders of a majority in voting power of all of the outstanding shares of the stock entitled to vote as of the Record Date (a “quorum”) must be present online or represented by proxy at the Annual Meeting. Abstentions and broker non-votes (as described below) will be counted for purposes of establishing a quorum at the Annual Meeting. Whether or not you plan to virtually attend the Annual Meeting, we urge you to vote your shares or CDIs by telephone or Internet in advance to ensure that they will be represented at the Annual Meeting and so that the Company will know as soon as possible that enough votes will be present for the Annual Meeting to be held.

What votes are required to approve each of the proposals?

Proposal	Board Recommendation	Votes Required	Effect of Abstentions	Effect of Broker Non-Votes ^(a)
Election of Directors	FOR each nominee	Majority of votes cast	None	None
Ratification of Independent Registered Public Accounting Firm	FOR	Majority of votes cast	None	No Broker Non-Votes
Advisory Vote to Approve Executive Compensation	FOR	Majority of votes cast	None	None
Stockholder Proposal	AGAINST	Majority of votes cast	None	None

(a) See “—What is a broker non-vote?” below for details.

What is a broker non-vote?

A “broker non-vote” occurs when you do not give instructions to your broker, bank or other nominee of shares you beneficially own in “street name” on how to vote your shares of Class B Common Stock or CDIs and the broker, bank or other nominee does not have authority to vote your shares at its discretion. In these circumstances, if you do not provide voting instructions, the broker, bank or nominee may nevertheless (but is not required to) vote your shares on your behalf with respect to the ratification of the selection of E&Y as the Company’s independent registered public accounting firm (because that is expected to be considered to be a “routine” proposal), but cannot vote your shares on any other matters being considered at the Annual Meeting (because they are expected to be considered to be “non-routine” proposals).

Whether a proposal is considered routine or non-routine is subject to stock exchange rules and final determination by the stock exchange. As mentioned above, even with respect to routine matters, some brokers are choosing not to exercise discretionary voting authority. As a result, we urge you to direct your broker, bank or other nominee how to vote your shares on all proposals to ensure that your vote is counted.

Who will tabulate the vote?

A representative of American Election Services, LLC has been appointed to act as an independent Inspector of Elections for the Annual Meeting and will tabulate the votes.

How are proxies solicited, and who bears the cost of this solicitation?

This proxy statement is furnished in connection with the solicitation by the Board of proxies for use at Annual Meeting and at any adjournment or postponement thereof. The expense of soliciting proxies will be borne by the Company. We have engaged Morrow Sodali LLC to solicit proxies for an estimated fee of \$15,000, plus expenses, and Morrow Sodali Pty Limited to solicit proxies for an estimated fee of \$16,000 Australian dollars, plus expenses.

Proxies will be solicited principally through the use of the mail or electronically, but Directors, officers and employees of the Company may also solicit proxies in person, electronically, by telephone or by mail, without any additional compensation. Also, the Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for any reasonable expenses in forwarding proxy materials to beneficial owners.

Can I ask questions during the Annual Meeting?

As in prior years, the Annual Meeting will include a live webcast Q&A session, during which we intend to answer all questions submitted by holders of Class B or Class A Common Stock or CDIs in accordance with the guidelines herein and the Rules and Procedures for Conduct (available on the Annual Meeting website), as time permits. Stockholders and CDI holders may submit questions prior to the Annual Meeting at www.proxyvote.com or in real time during the Annual Meeting through www.virtualshareholdermeeting.com/NWS2022.

Please note that stockholders and CDI holders will need their unique control numbers in order to ask questions in advance of or live during the Annual Meeting. For more information, see “—How can I obtain my control number?” above.

Consistent with our prior in-person annual meetings, stockholder and CDI holder questions submitted in accordance with the Rules and Procedures for Conduct will be generally addressed in the order received. Answers to any such questions that are not addressed during the Annual Meeting will be published following the meeting in the “Investor Relations” section of the Company’s website at www.newscorp.com. Questions and answers will be grouped by topic and substantially similar questions will be grouped and answered once.

Each stockholder or CDI holder (or proxyholder/qualified representative) is limited to a total of no more than two questions and/or comments that must be related to the business of the Annual Meeting, the business of the Company or the conduct of its operations. Each question or comment should cover only one topic and be as succinct as possible.

INFORMATION ABOUT THE ANNUAL MEETING

The views and questions or comments of all stockholders and CDI holders are welcome. However, the purpose of the Annual Meeting must be observed and we will not address questions that are irrelevant to the business of the Company or the conduct of its operations, related to pending or threatened litigation, derogatory or not otherwise in good taste, related to personal grievances or otherwise inappropriate (as determined by the Chairman of the meeting or the General Counsel).

If there are matters of individual concern to a stockholder and not of general concern to all stockholders, or if a question posed was not otherwise answered, we provide an opportunity for stockholders to contact us separately after the Annual Meeting through the “Investor Relations” section of the Company’s website at www.newscorp.com.

What can I do if I need technical assistance during the Annual Meeting?

If you encounter any difficulties accessing the virtual Annual Meeting webcast, please call the technical

support number that will be posted on the Annual Meeting Website log-in page beginning at 9:45 a.m. (Eastern Standard Time) on November 15, 2022.

If I can’t participate in the live Annual Meeting webcast, can I vote in advance or listen to the Annual Meeting later?

You may vote your shares before the Annual Meeting by following the instructions detailed above under “—Voting Instructions and Information—How do I vote in advance of the Annual Meeting?” You do not need to access the Annual Meeting webcast to vote if you submitted your vote via proxy in advance of the Annual Meeting.

An audio replay of the Annual Meeting, including the questions answered during the Annual Meeting, will be available on the “Investor Relations” section of Company’s website at www.newscorp.com following the Annual Meeting.

Stockholders are advised to review the By-laws, which contain additional requirements with respect to advance notice of stockholder proposals and nominations. The chairman of the meeting may refuse to acknowledge or introduce any stockholder proposal or nomination if notice thereof is not received within the applicable deadlines or does not comply with the By-laws. If a stockholder fails to meet these deadlines and otherwise satisfy the applicable requirements, the persons named as proxies will be allowed to use their discretionary voting authority if and when the matter is raised at the meeting.

In addition to satisfying the foregoing requirements under the By-laws, to comply with the SEC’s universal proxy rules, stockholders who intend to solicit proxies in support of Director nominees other than the Company’s nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than September 16, 2023.

Other Matters

At the time of the preparation of this proxy statement, the Board knows of no other matters that will be acted upon at the Annual Meeting. If any other matters are presented for action at the Annual Meeting or at any adjournment or postponement

By Order of the Board of Directors,
